an inspiring celebration of the miracle of kindness offering heart warming true

stories of down to earth angels who touched the lives of others in unforgettable ways

in the same way that the indigo children was a phenomenon that was much talked about before the book came out and explained it earth angels is a topic of much discussion among spiritually minded people world wide four years ago doreen virtue wrote an article on the topic and then a chapter in her book healing with the angels and then more information in healing with the fairies since that time doreen has been flooded with letters from people who resonate with the idea requesting more information earth angels will be the first book devoted to the topic doreen will describe the five different types of lightworkers incarnated angels those who had previous lives as angels but who are now here as humans incarnated elementals those whose previous lives were in the elemental kingdom as fairies elves etc starpeople those who have lived the majority of their past lives on other planets walk in s those who came from a high spiritual realm and walked in to another person s life as that soul gladly exited their body and reincarnated sorcerers sorceresses and wizards those whose most recent past life was during arthurian or atlantian times when they practiced high magic the book will include dozens of case studies a fascinating analysis of an extensive survey that doreen has conducted among people who identify with the five types of earth angels and guidance to help readers to feel happier about their lives their own idiosyncrasies and their missions

understand honor protect your sensitivity destiny discover what it means to be a compassionate earth angel a highly sensitive and empathic person who loves to give to others this timely book teaches you to celebrate and maximize your sensitivity to be of greater service to the world explore the characteristics earth angels share their biggest strengths and challenges and self care guidelines to follow professional intuitive and bestselling author tanya carroll richardson offers practical grounded ways to align with your earth angel destiny and live with more purpose through enlightening quizzes hands on exercises engaging stories and intuitive practices tanya helps you master your abilities and create better emotional and energetic boundaries this unique book also addresses earth angel burnout and provides antidotes so you can enjoy a balanced magical life

in earth angel a guide to finding your wings sonja grace brings an entirely new perspective to the angel genre she has been traveling and working in the angelic realm for over 30 years is dedicated to divine love and is an earth angel our planet has moved into the fifth dimension and we are about to witness a new order of earth angels hundreds of thousands of people are beginning to

feel a calling to their spiritual light yet some feel misunderstood different and in many cases extremely sensitive and intuitive about people and events sonja grace was destined to write earth angel a guide to finding your wings to assist those emerging souls who are searching for answers and hoping to discover their path of service and their spiritual connection to the divine through her own extraordinary case studies sonja grace reveals what it is like to do the work of an earth angel and how she has used her gifts to locate missing people conduct long distance healing and council a myriad of international clients readers are taken on a journey into the angelic realms sonja grace offers fresh insight and descriptions along with explanations of the angels and the earth angel phenomenon what they are how to identify them what they do where they come from and their particular mission at this time in the earth s history

jesus reveals his great plan to two ordinary women jesus is coming the time is now earth angels is our personal testimony and story of our relationship with jesus in sharing our story you will see how he has made himself known to two simple ordinary women gwen shares her daily journal of her personal and intimate conversations with him with the sole purpose of inspiring others to foster and strengthen a deeper and more abiding relationship with him as well when we are born we are all endowed with a sixth sense in which to know god it is part of our dna when this sense is plugged in with his holy spirit that is when this most sacred connection with him begins it is at our disposal 24 hours a day this book has been specifically written for these times to show you how you can engage in this most intimate conversation with him you will find the answers to the questions you seek your soul the most important part of who you are and the the part of you that lives on forever will be nurtured you will begin to question and discover the true meaning of life and be inspired to use your god given gifts and talents for the betterment of mankind your soul will be awokened and taken on a new journey to the pathway to the divine these are precarious times and the time is now

i saw an angel today is a nonfictional book of short stories about the earth angels of today and in history who are changing or have changed humanity they are everyday people unknowingly affecting others by opening their hearts sharing their gifts following their passion and offering their mind body and soul to others they are musical historical spiritual and global events involving work family and friends celebrities health and wellness and anonymous angels it is also a quizzical type of book offering the readers a game of who done it by trying to figure out which amazing earth angel marcelline is referring to

since the publication of her best selling book earth angels more than 80 000

copies sold doreen virtue presented workshops about these lightworkers to several international audiences which yielded additional information about the various realms that these beings originate from in addition to the core realms that doreen discussed in the first book incarnated angels incarnated elementals star people and wise ones some new realms have been discovered in realms of the earth angels doreen discusses the original earth angels book plus gives updated descriptions about the new realms which include mystic angels half angel half wise one leprechauns half elemental half wise one merpeople knights and more as with the original book you the reader can take an expanded quiz to help you recognize your own realm each realm has its own chapter with earth angel characteristics suggestions advice and case studies

earth angels is an intentional collection of poetry prose dedicated to the highly sensitive and highly intuitive souls though the journey of an earth angel may feel as though it is a daunting task it is an honor to the highest degree this book is here to remind you that though this world does not fully feel like your home you do still have a place that you fit and you are very much loved and needed on this earth author melissa m combs explores the heartache of received hatred injustice and rejection whether it be from family friends romantic partners or even complete and total strangers she then goes on to emphasize and illuminate the path of transforming oneself from all of the pain

join drg and the other coauthors on a journey of self discovery we are all guided to find our calling in life drg along with her co authors who are compiled in this book give you their experience and insight into how they found their calling we are from all walks of life and in calling all earth angels and healers you are given permission through inspirational stories to honor your own calling here are just a few callings that people do not recognize how they are an earth angel or healer plumber hairdresser mechanic chiropractor artist stay at home parent we each find our passion it is not always professionally it can be existing in your personal life and possibly in both professional and work environments this is a great book for understanding who you are for finding your way or for acknowledging your calling in life and to read and then share your story with others co authors geri magee ph d karamjeet kaur orsika julia samantha forster isabella rose amanda thomas kathryn cartwright ladonna nelson camille amos munira zahabi margarita amrita yuriy khomyakov carolyn osborne riana arendse melissa padilla karen tants sundi sturgeon elsbeth shields and laverne denyer

there are humans on earth who are not in fact human they are earth angels earth angels are beings who have come from other realms dimensions and

planets and are choosing to be born on earth in human form for just one reason to awaken the world before they can carry out their perilous mission they must first learn how to be human the best place they can do that is at the earth angel training academy

earth angels embracing your spiritual purpose guides readers on a transformative journey to discovering and embracing their true spiritual purpose the book illuminates the path for those who feel called to serve as earth angels beings sent here to help raise the vibration of the planet through a combination of spiritual wisdom practical exercises and heartfelt anecdotes earth angels offers a roadmap for navigating the challenges and joys of fulfilling one's divine mission whether you're a healer empath lightworker or simply someone seeking to make a positive difference in the world this book provides the tools and guidance needed to fully step into your power and fulfill your soul's purpose join me in this empowering journey of self discovery and transformation as you learn to embrace your spiritual gifts overcome self doubt and step boldly into your role as an earth angel with each page you'll be inspired to align with your higher purpose radiate love and light and make a lasting impact on the world around you it's time to awaken to your true potential and embody the earth angel you were always meant to be

we came into this world naked vulnerable and having to learn certain life lessons our first protectors and teachers were our parents many instructors followed after them but only special guides left a mark on our lives encouraging spiritual mental emotional physical and financial growth in a positive direction they are our earth angels and these are their lessons twenty earth angel lessons shares a collection of valuable insights that can help us understand the world ourselves and our purpose author aurora green offers a series of engaging life lessons addressing important topics such as karma meditation health and exercise and compassion for others with these lessons you can focus on what is important and cultivate a rich and satisfying life that is full of gratitude and joy while people may come and go they can leave a lasting impression that can guide us on the path of self discovery and with the lessons of our earth angels we can be a light to the world and have the power to give ourselves joy and be thankful as we are propelled to happiness

what if the revelation of a single ancient secret had the power to restore a sense of identity purpose and freedom from fear to all who seek what if all that was standing between you and a life of bliss was simply a change in your perception earth angel find your power shine your light is your invitation to uncover the clues to your divine nature and ignite the radiance of your soul a fresh

perspective on the everyday stories that surround us and unique insight into ancient spiritual texts address the myths and misperceptions that have trapped the world in a collective web of fear for centuries offering a positive path forward filled with healing and grace for all humankind this higher level of understanding can help you create a much brighter life by forever changing how you view yourself and your role in the world practical exercises affirmations visualizations and channeled messages can help you understand the reason for the re emergence of angels in our world find your unique spiritual gifts and use them as a positive force in the world heal your fear and self doubt to claim a life of grace compassion and self acceptance this is a journey of remembering putting together the pieces of an ancient puzzle to create a new vision of what an angel is and what it means to be an earth angel in the modern world dare to be inspired healed and fulfilled by the vibration of the angels as the words within these pages resonate with the wisdom of your soul

while teaching middle school an eighth grade student walks into my classroom and hands me a book she stands in front of me with a big grin on her face and one hand held steadily behind her back after nudging me to read the passage she slowly reveals the strawberry concealed in her hand neither one of us knew it at the time but i had just met my first earth angel lessons from earth angels finding the light in the matter reminds readers of the miracles and messages that show themselves in everyday ordinary happenings earth angels are messengers that emerge from the world in which we dwell coming in an array of forms mineral water plant animal friend family stranger synchronicity they reveal the light in the matter my hope is that by sharing my encounters with earth angels you will start finding your own and that by seeing the light in the matter your sometimes bumpy roads will be softened and your spirits filled by the wings of your earth angels

a compilation of co authored stories by a team of 19 co authors who share their own life experiences both personally and professionally on how they found their calling in life as earth angel and or healer to help guide and teach others on their own path through life toward discovering their own calling compiled by geri magee ph d geri co authors alongside laverne denyer sundi sturgeon elsbeth shields karamjeet kaur isabella rose kathryn cartwright samantha forster melissa padilla carolyn osborne amanda thomas karen tants munira zahabi margarita amrita yuriy khomyakov camille amos ladonna nelson orsika julia and riana arendse

after the successful creation of the diamond age the earth angels have returned to their realms and earth is now at rest or so they thought an elder an

old soul a starperson decided that humans should have the choice to continue reincarnating if they wished and created a way for them to do that against the advice of the angel of destiny left behind on a dying planet one starperson decides that the humans are to blame for the demise of her home and vows to make them pay it seems that the only way to stop planet earth from ending in darkness is the return of the earth angels

susan duke tells the stories about human inspiration of ordinary people that inspire and move our hearts demonstrating a touch of heaven right here on earth in this inspiration collection the best stories the ones that touch our hearts at their very cores the ones that inspire us to our greatest heights are true stories of ordinary people we can relate to people who share a kind word in time of need do a simple deed that lifts a weary heart or make a difference in a difficult day the stories in this book are not about great winged celestial beings sent from heaven's majestic gates no these stories are about earth angels the kind of angels who unknowingly intercept a suicide attempt through a gentle act of kindness beam messages of hope over an old cb radio or provide patient care in a duck suit as you read the stories in this book your spirit will be inspired and the strings of your heart tuned to opportunities for you to be a little bit of heaven right here on earth
