this is a uniquely different textbook for studying biblical hebrew it was written by a fellow student who found that gaining some very basic knowledge of the language dramatically and positively changed his previously held views of the old testament in addition the author realized that the language was actually not so difficult to master and that someone with an

average intelligence like himself could with a bit of dedication and effort actually master the bulk of the material he started teaching his friends in south africa and later in china they were ordinary folk from all walks of life who also for some time wanted to gain a basic insight into the original language of the old testament but did not want to in any way become involved in formal academic studies the author was delighted to find that the style and pace in which he presented the material coupled with the their enthusiasm resulted in these laymen and women immediately making rapid and lasting progress they agreed that the new insights gained even from the first lesson were fascinating and they were excited by the prospect of learning more he soon realized that the textbooks available at that time were not written with these type of students in mind and he started making hand outs suitable for his special target population with the encouragement of his mentor from a few decades earlier to whom this book is dedicated and another genius in the field he perfected the notes technically and they became the genesis of what is now presented in this publication

with a chapter for every week you ll develop the necessary skills to reach the intermediate level in hebrew with original dialogues easy to understand grammar extensive vocabulary and engaging exercises with transliteration this book provides its students the necessary skills to communicate well in hebrew this book is designed to equip the students in reading and speaking students will be able to lay the foundations for further hebrew language studies with this book this book consists of 10 regular chapters covering beginner level hebrew language material all sections are given with the original written hebrew form english transliteration and english translation each chapter touches upon a different setting from staying at a hotel to visiting friends for dinner and traveling in this intensely designed book we embark on a journey with david and malka while they are getting acquainted with the land culture and people of israel additional study materials for beginner level learners practical hebrew grammar 979 8559907055 is a reference book for hebrew learners hebrew learners dictionary with conjugation declension tables fully transliterated a1 979 8695228137 is a beginner level dictionary with words and phrases essential for elementary level learners with the experience of teaching more than 20 years the author s other works include hebrew and turkish self study books and complementary materials they ve proven successful with their new editions and over 8 years in the market pronunciation symbols nekudot are not usually present in modern hebrew texts they are mostly printed in biblical scriptures therefore in hebrew it s crucial to remember the correct pronunciation of each word some coursebooks include these pronunciation symbols to facilitate learning however this causes confusion in real life for foreign students to prevent such confusion and prepare the students to reading and writing hebrew without a hassle in this book all hebrew words are given without the nekudot except for those that require the use of these symbols for

grammatical reasons to provide students with a more convenient and practical approach in this book all hebrew words are transliterated the english transliteration shows the correct pronunciation of each word

anyone interested in learning to read the hebrew bible in its original language will find within the pages of this book all the resources needed to begin this wonderful journey the book is laid out in four parts the first part teaches the hebrew alphabet through a series of lessons the second part teaches word and sentence structure of the hebrew language by breaking down each hebrew word in genesis chapter one verses one through five the hebrew text of genesis chapter one is provided for reading and comprehension practices in part three the fourth part of the book contains charts and dictionaries of prefixes suffixes words and roots of the hebrew language to assist the reader with vocabulary definitions and comprehension within a short amount of time the hebrew student will soon be reading the bible through the eyes of the author rather than the opinions of a translator
