Astrology is the most powerful language on earth. It helps us to translate universal energy that exists within us all and is star sent when translated effectively. It has the capability to unite us and to illuminate deeper paths and nourish our spiritually thirsty souls. The movement of the stars and changing positions of the zodiac make an impact both on a personal and a collective level. They affect how we deal with family, friends, and colleagues as well as how we manage our thoughts, feelings, and behaviors. This first of its kind astro journal will offer simple yet powerful daily, weekly, and monthly exercises and tips to navigate the changing tides of daily life. The journal covers the year 2020 and will look ahead to the movements of the planets for the whole year, including monthly and weekly forecasts plus homework exercises. The journal will teach how to understand the meaning of the forecasts in clear, bite-sized tutorials and will recommend appropriate activities and tasks according to what is happening that week with the planets and the moons. The purpose of the journal is to teach how dynamic astrology and a deeper connection to the world can help to practice self-reflection and positive change.
