valentin m berezhkov was an important part of josef stalin's inner circle where he found himself at center stage of international diplomacy in his capacity as interpreter for both stalin and molotov he was present when the fateful meeting leading to the munich pact took place when hitler negotiated the nonaggression agreement with molotov when germany declared war on russia at the historic meeting where the allies formed a united front against the axis and at the 1943 teheran conference like a fly on the wall he observed everything including stalin's fear of hitler when berezhkov met with the german leader the latter was so taken aback with his perfect use of the german language that he refused to believe the interpreter was a russian native berezhkov may be one of the last survivors of the events that shaped the destiny of russia and the world he personally observed how the major leaders of this century related to each other and the circumstances in

the remarkable untold story of franklin d roosevelt and the five extraordinary men he used to pull america into world war ii
in the dark days between hitler s invasion of poland in september 1939 and japan s attack on pearl harbor in december 1941
franklin d roosevelt sent five remarkable men on dramatic and dangerous missions to europe the missions were highly
unorthodox and they confounded and infuriated diplomats on both sides of the atlantic their importance is little understood
to this day in fact they were crucial to the course of the second world war the envoys were magnificent unforgettable
characters first off the mark was sumner welles the chilly patrician under secretary of state later ruined by his sexual
misdemeanors who was dispatched by fdr on a tour of european capitals in the spring of 1940 in summer of that year after the
fall of france william wild bill donovan war hero and future spymaster visited a lonely united kingdom at the president s
behest to determine whether she could hold out against the nazis donovan s report helped convince fdr that britain was worth
backing after he won an unprecedented third term in november 1940 roosevelt threw a lifeline to the united kingdom in the
form of lend lease and dispatched three men to help secure it harry hopkins the frail social worker and presidential
confidant was sent to explain lend lease to winston churchill averell Harriman a handsome ambitious railroad heir served as
fdr s man in london expediting lend lease aid and romancing churchill s daughter in law roosevelt even put to work his
rumpled charismatic opponent in the 1940 presidential election wendell willkie whose visit lifted british morale and won
wary americans over to the cause finally in the aftermath of germany s invasion of the soviet union hopkins returned to
london to confer with churchill and traveled to moscow to meet with joseph stalin this final mission gave roosevelt the
confidence to bet on the soviet union the envoys missions took them into the middle of the war and exposed them to the
leading figures of the age taken together they plot the arc of america s transformation from a divided and hesitant middle
power into the global leader at the center of everything of course was fdr himself who moved his envoys around the globe
with skill and élan we often think of harry s truman george marshall dean acheson and george f kennan as the authors of
america s global primacy in the second half of the twentieth century but all their achievements were enabled by the earlier
work of roosevelt and his representatives who took the united states into the war and by defeating domestic isolationists
and foreign enemies into the world in these two years america turned fdr and his envoys were responsible for the turn
drawing on vast archival research rendezvous with destiny is narrative history at its most delightful stirring and important

in absolute war acclaimed historian and journalist chris bellamy crafts the first full account since the fall of the soviet union of world war ii s battle on the eastern front one of the deadliest conflicts in history the conflict on the eastern front fought between the soviet union and nazi germany between 1941 and 1945 was the greatest most costly and most brutal conflict on land in human history it was arguably the single most decisive factor of the war and shaped the postwar world as we know it in this magisterial work bellamy outlines the lead up to the war in which the fragile alliance between the two dictators was unceremoniously broken and examines its far reaching consequences arguing that the cost of victory was ultimately too much for the soviet union to bear with breadth of scope and a surfeit of new information this is the definitive history of a conflict whose reverberations are still felt today

an animated adaptation of the story of the same title by maurice sendak in which a small boy makes a visit to the land of the wild things tells how he tames the creatures and returns home for primary grades
