history of peace demonstrates from 4500 years of history and case studies of more than 100 treaties resolving armed conflicts that even when peace seems impossible peace may still be possible even when the going seems hopeless and the night is dark hope is not yet lost history shows that again and again peace can break out from the darkest of nights from ancient mesopotamia to modern day peace processes this groundbreaking book explores humanity's enduring quest for peace history of peace offers profound insights into how mediators from world leaders to grassroots peacemakers have helped resolve armed conflicts save lives rebuild communities and foster economic growth through the power of dialogue and negotiation over the thousands of years from the beginnings of recorded time read about the treaty of mesilim c 2550 bce mesilim king of the sumerian city state of kish mediated a land and water boundary dispute between the nearby south babylonian cities of lagash and umma the treaty of kadash 1259 bce between egypt and the hittites negotiated by intermediaries established one of the earliest known mutual defense pacts the peace of westphalia 1648 facilitated by papal mediation revolutionized international relations by introducing the concept of state sovereignty the congress of vienna 1815 reshaped europe after the napoleonic wars with talleyrand's skilled mediation creating a balance of power that lasted nearly a century the treaty of versailles 1919 ended world war i but sowed seeds for future conflict highlighting the importance of inclusive mediation processes the camp david accords 1978 demonstrated the power of personal diplomacy and third party mediation by the us in resolving seemingly intractable disputes between egypt and israel the good friday agreement 1998 brought an end to decades of conflict in northern ireland through innovative power sharing arrangements facilitated by multi party mediation the aceh peace agreement 2005 in indonesia mediated by former finnish president martti ahtisaari ended a 30 year conflict and saved countless lives the comprehensive peace agreement 2005 in sudan mediated by the intergovernmental authority on development igad ended africa's longest running civil war the colombian peace agreement 2016 facilitated by norwegian and cuban mediation ended over 50 years of conflict between the government and farc rebels through vivid storytelling and expert analysis history of peace brings to life the dramatic moments when bitter enemies found common ground from napoleon and tsar alexander's fateful meeting on a raft in the neman river to modern day peace negotiations we will trace an arc of human progress in the vital art of conflict resolution a prime example is the

treaty of portsmouth of 1905 which ended the russo japanese war u s president theodore roosevelt s mediation between russia and japan not only brought an end to a costly conflict but also elevated the united states role in international diplomacy as japanese diplomat jutaro komura noted president roosevelt s impartial and energetic efforts have made possible what seemed impossible this treaty demonstrates how skilled mediation can bridge even the widest divides between adversaries but this book is more than just a chronicle of famous treaties it s a deep exploration of how mediation and diplomacy have evolved over millennia to become sophisticated tools for conflict resolution readers will learn the essential ingredients for successful peace negotiations how mediators bridge seemingly unbridgeable divides the role of economic incentives in cementing peace how to structure agreements for long term stability common pitfalls in peace processes and how to avoid them history of peace also highlights the crucial role played by grassroots peacemakers and civil society in nurturing reconciliation from the ground up through inspiring stories of ordinary people working for change it shows how everyone can contribute to building a more peaceful world with ongoing conflicts from ukraine to yemen threatening global stability the lessons in this book have never been more relevant whether you re a student of history a policymaker a mediator or simply someone who cares about creating a better future history of peace offers invaluable insights into humanity s noblest endeavor key features comprehensive overview of peace treaties and conflict resolution from ancient times to the present in depth case studies of pivotal agreements that shaped world history analysis of evolving mediation techniques and diplomatic strategies exploration of the economic benefits of peace and post conflict reconstruction inspiring stories of grassroots peacebuilders making a difference lessons for addressing contemporary conflicts and global challenges this book is priced at an affordable price point to enable widest availability if this collection of inspiring stories how to make swords into plowshares saves even one life or brings happiness to a single person it will fill me also with hope and happiness knowing i ve made a difference as the author david hoicka

in these essays i often refer to social contracts such as the declaration of independence the constitution of the united states the universal declaration of human rights and other international conventions that describe a vision of just human relations especially in the area of culture and health care we do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities moreover we do not always determine what is right based on reason but we do make decisions every day about how we will live within the social contracts that govern our lives many of us go along to get along with a lets not rock the boat preserve the status quocaution then there are those of us who use the documents of our social contracts to secure more justice and more

peace the purpose is to rock the boat and to disrupt the status quo when it is unjust i understand christ as a title not as a person it is a designation of an anointing this in my opinion is the anointing of radical love christ is the human incarnation of divine love we each ought to strive to become this whether or not we are christian whether or not we are even believers those of us who are christians believe that jesus paid it all there is no more need for blood shed sacrifice murder is never holy god does not need it or want it our work now is to become living sacrifices that will redeem this world through justice and peace that is the meaning of these essays from the introduction

a pilgrimage as we usually understand it is a journey taken toward his worldly abode but as swami ishwarananda points out in pathways to peace the lord s holiest dwelling is in our own hearts and a pilgrimage inwards toward our own self is the ultimate journey swamiji asks the very fundamental of questions what is this mind and by gently guiding the sadhak with everyday tips and simple suggestions he unravels a great mystery so each of us can become a seeker cleanse the mind and live out the true inspired life of this human birth along with the practical wisdom comes an urgent message that is not be missed be a seeker a true devotee and do it all now and peace will be ours click here and grab our our other inspirational titles

peace teachings explores the often overlooked potential of diverse religions to foster global peace it delves into core religious doctrines revealing a shared advocacy for compassion non violence and empathy that transcends cultural and theological boundaries the book argues that understanding these shared principles is crucial for actionable strategies to promote harmony in our interconnected world intriguingly many religious texts and traditions contain explicit ethical codes and examples of influential figures championing peaceful solutions the book progresses by first examining the historical and philosophical roots of peace within religious thought subsequent chapters analyze major world religions like christianity islam buddhism hinduism and judaism detailing their core tenets related to peace and how these translate into real world actions this approach emphasizes the practical applications of religious teachings moving beyond abstract theological concepts to examine tangible actions promoting peace and reconciliation the book uniquely synthesizes diverse perspectives highlighting common threads and suggesting pathways for interfaith dialogue offering a valuable resource for students policymakers and anyone seeking a deeper understanding of religious peace building

incisive contributions from leading and emerging scholars in the field of peace studies in the wiley blackwell companion to religion and peace a team of renowned scholars delivers an authoritative and interdisciplinary sourcebook that addresses the key concepts history theories models resources and practices in the complex and ambivalent relationship between religion

and peace the editors have included contributions from a wide range of perspectives and locations that reflect diverse methods and approaches the companion provides a collection grounded in experience and context that draws on established developing and new research characterized by academic rigor the differences between the approaches taken by several religious traditions are fully explored and numerous case studies highlight relevant theories models and resources accessible as either a standalone collection or as a partner to the companion to religion and violence this edited volume also offers a thorough introduction to religion and its search for peace including the relationships between religion and peace and theories and practices for studying the interplay between religion and peace comprehensive explorations of religion and peace in local contexts including discussions of women s empowerment and peacebuilding in an islamic context practical discussions of practices and embodiments of religion and peace including treatments of museums for peace and self religion in global peace movements in depth examinations of lived christian theologies and building peace including discussions of martin luther king jr and spiritual activism in scotland perfect for students and scholars of peacemaking peacekeeping and peace building the wiley blackwell companion to religion and peace will also earn a place in the libraries of anyone professionally or personally interested in the field of peace or religious studies international relations history politics or theology

a nonviolent environment provides many benefits to its population although all industries can reap the rewards of nonviolence its positive impacts can particularly be examined in applied disciplines like conflict resolution child development criminal justice and social work creating a sustainable vision of nonviolence in schools and society is a unique reference source that discusses the value that nonviolent spaces can add to educational institutions and societies featuring extensive coverage on relevant topics including conflict skills intersectional dialogue mentoring co existence and police brutality this is an outstanding resource of academic material for educators academicians graduate students and researchers seeking to expand their knowledge on nonviolent methods and techniques for educational environments
