teacher reference resource on the teaching of text types for primary school students i e how to write in different styles and genres provided by publisher

when studying aims and programs for elementary schools historically we find that knowledge and skills have been among the

dominating factors in the elementary school curriculum throughout the last century the terms knowledge and skills usually are defined as basic skills which children are supposed to learn at school in the usa the basic skills also have been called the three r s synonymous with arithmetic reading and writing because competence in the basic skills is a prerequisite for knowledge acquisition of other school subjects e g science history etc it is important that the learning and instruction of the basic skills are adapted to students needs and readiness as the three r s are fundamental and significant skills for children s learning and progress in other subject matters systematic learning and training in the these basic skills are afforded much space and time in the children s curriculum during the first years of schooling although several common traits can be found among the three r s this book concentrates on giving an outline on research in children s learning and performance of writing and to some extent of reading
