born in the civil war of 1922 23 the army of the republic of ireland occupied a sensitive place in the national culture for many years in world war ii it faced the challenge of maintaining ireland s integrity as a neutral post war it found a new role in 1960 providing troops for the united nations intervention in the war torn congo and since then has supported un missions in the middle east and elsewhere more recently the border with troubled ulster obliged the republic to invest in reform and modernisation ireland s freedom to seek examples and equipment worldwide has created an interesting progression of uniforms illustrated in this study of ireland s forces over 80 years

the irish army draws its traditions from three sources the 1916 rising the war of independence and the civil war this book charts the history of the irish army through its evolution from a guerrilla force to the legally constituted military arm of the irish government up to the present day

this book aids any researcher policymakers and military personnel in researching small states and militaries european defence and security policy as well as contemporary and emerging threats this edited collection gathers academic commentators on irish defence policy military leaders from across the service components of the irish defence forces and european defence experts to contribute to the first in depth conversation and analysis on modern irish defence and its application within the european union the aim of this edited book is to ascertain what capabilities are robust which are lacking what future threats need to be catered for and what action is needed to ensure those threats will be addressed going forward this book will explore emerging issues and applications of modern and contemporary threats within the context of ireland europe and western institutions we have invited submissions from scholars commentators policymakers and military practitioners to evaluate the irish defence forces and to illustrate the complexities facing small nations in formulating and resourcing defence and national security policy

in the late 1980s the army crisis was dominating headlines in ireland complaints of poor pay low morale and unsatisfactory conditions for those serving in the defence forces were growing louder against the background of a government accused of being indifferent and an army hierarchy accused of being incapable from amidst the turmoil a group of women stepped up to pursue the rights of their men political crisis and a general election followed but a commission established to examine the defence forces ignored the

call for soldiers to acquire their own representative body this book reveals for the first time the deep seated philosophies tensions and reservations between ireland s military and its government from the foundation of the state to the present day it explores in detail the events that led to the successful pursuit of the democratic right of association for members of the armed forces in ireland it articulates the concept of the citizen in uniform and the special relationship between members of the armed forces and society this is the story of the breaking of ranks

the first ever compilation of the irish army s orders of battle from its formation in 1923 to 2004 includes several current tables of organization and equipment 140 content pages

in september 1939 the second world war broke out the fact that ireland remained neutral in the conflict is well known what is far less well known is that from 1939 onwards ireland prepared to defend itself from invasion combining many previously unseen photographs and documents and with a text based on research in defence forces and official archives this book is an illustrated photographic and documentary history of the military and defensive preparations made by ireland s defence forces during the second world war what became known officially only as the emergency

this is a major collaborative study of organised military activity and its broad impact on ireland over the last thousand years or so from the middle of the first millennium ad to modern times it integrates the best recent scholarship in military history into its social and political context to provide a comprehensive treatment of the irish military experience the eighteen chronologically organised chapters are written by leading scholars each of whom is an authority on the period in question drawing the whole work together is a wide ranging introductory essay on the irish military tradition which explores the relationship of irish society and politics with militarism and military affairs the text is illustrated throughout by over 120 pictures and maps

the armed forces of europe have undergone a dramatic transformation since the collapse of the soviet union the handbook of european defence policies and armed forces provides the first comprehensive analysis of national security and defence policies strategies doctrines capabilities and military operations as well as the alliances and partnerships of european armed forces in response to the security challenges europe has faced since the end of the cold war a truly cross european comparison of the evolution of national

defence policies and armed forces remains a notable blind spot in the existing literature the handbook of european defence policies and armed forces aims to fill this gap with fifty one contributions on european defence and international security from around the world the six parts focus on country based assessments of the evolution of the national defence policies of europe s major medium and lesser powers since the end of the cold war the alliances and security partnerships developed by european states to cooperate in the provision of national security the security challenges faced by european states and their armed forces ranging from interstate through intra state and transnational the national security strategies and doctrines developed in response to these challenges the military capabilities and the underlying defence and technological industrial base brought to bear to support national strategies and doctrines and finally the national or multilateral military operations by european armed forces the contributions to the handbook collectively demonstrate the fruitfulness of giving analytical precedence back to the comparative study of national defence policies and armed forces across europe

in the spring of 1980 the irish department of defence sanctioned the establishment of a new unit within the irish defence forces and the irish army ranger wing arw came into being in the decades that followed its soldiers have been deployed on active service at home and abroad generally without the knowledge of the wider public the arw is made up of seasoned men from across the island who are selected through tough competition only the best of the best make it through and are trained in an extraordinary range of specialist skills being one of these elite operators takes more than simply being a skilled soldier it means believing you are the best shadow warriors tells the story behind the creation of the arw from its origins in specialist counter terrorism training in the late 1960s and the preparation of small unconventional units in the 1970s to the formation of the arw itself in 1980 and its subsequent history the first and only authoritative account in the public domain of this specialist unit authors paul o brien and sergeant wayne fitzgerald have been granted access to the closed and clandestine world of ireland s special forces who train hard fight harder and face unconventional types of warfare yet prefer to stay out of the limelight

total defence as a concept combines and extends military and civil defence in a state of war or emergency all social institutions mobilize to defend the state total defence forces led by a diverse

workforce of defence and security professionals are critical to both national defence and international security goals total defence forces in the twenty first century looks at the various groups that make up this workforce members of the military s regular force reservists defence civil servants and contractors working for private military and security companies when civilian staff and military personnel work towards a common goal their distinct professional cultures and identities can make integration challenging despite the often high levels of partnership underlying differences affect the quality of the collaboration and ultimately organizational and operational effectiveness defence ministries around the world are increasingly recognizing the importance of optimizing the ways in which they employ and integrate civilian and military personnel this volume focuses on a critical question what are the main challenges to workforce integration and collaboration and how can such challenges be overcome to deliver the full potential of the total defence force together scholars and practitioners provide some answers

this book will make a first contribution to identify the gaps in current practices and provide alternative mechanisms to conceptualize professionalism that is reflective of changing requirements culture and demographics of the contemporary military force the military profession promotes the development sustainment and embodiment of ethos which guides conduct across operational contexts from times of national and international crises and security challenges e g war natural disasters and peace support operations it is imperative for military leaders to understand how ethos and doctrine shape professional frameworks which guide the conduct of military members
