performance programs company s home inspector license exam prep hilep is a 240 page state of the art learning learning tool designed to prepare home

inspector candidates for the national home inspector examination nhie hilep is comprehensive in that it contains both key content review and testing practice the text review specifically follows the national home inspector examination outline as promulgated by examination board of professional home inspectors ebphi testing officials the study guide is divided into three main sections property and building inspection analysis of findings and reporting professional responsibilities following each major section is a section end quiz to test your mastery of the subject material this is further reinforced by explanations in the answer key to each section quiz exam candidates should also note that all content to our exam prep is tersely presented in bullet point lists we make every effort to present only the essential material that you need to learn the test outline subjects home inspector license exam prep challenges candidates to take and pass one 100 item practice test covering the entire nhie test outline again the practice test comes with an answer key and answer explanations between the practice quizzes and practice exams there are 230 total questions with rationales in hilep primary author bruce barker is a leading authority in the home inspection field and is the author of numerous acclaimed books including the nhie home inspection manual everybody s building code commentary on the ashi standard of practice for home inspections a practical guide to evaluating decks and books in the black decker series as a certified inspector and former president of the american society of home inspectors ashi bruce brings 35 years of inspection knowledge to home inspector license exam prep taken as a whole if you apply yourself to the content and test questions in our exam prep resource we are confident you will pass the nhie license examination however learning this wide range of material and preparing yourself to pass this test is your challenge so at this juncture rise to the occasion study hard and leave little to chance in the end we wish you good luck and much success in your new career

revises the information in the second edition and presents over 700 new or revised tests the psychology section contains 20 subsections education has 54 subsections and business has 13 subsections does not contain reliability validity and normative data use the complementary test critiques series for this information

many things define a job seeker experience education first impressions connections passion and the value you might bring to the company you wish to work for for decades the perceived ideal candidate would have all of the above most of the above however a good candidate would have a four year college degree to a great extent an employer still would like someone with a four year college degree however i believe this is changing the need for those who work with their hands and those who are willing to work their way up through the various levels of an organization is becoming more and more desired by companies the time it will take you to earn your degree you could be making a nice living and will have accrued zero debt in the process plus after working in an industry of your choice something you do have an interest in even a passion for you may be on equal footing with a newly hired college grad based on the four years you have been working in your industry of choice as you continue to work your way up through the company you will find the more value you bring to a company the more they will look to you to assume great responsibility typically the more responsibility the greater the paycheck what makes this book timely is the fact as covid 19 winds down we are seeing many labor shortages in many areas and industries now is the absolute best time to go to an industry experiencing a labor shortage or enter one of the numerous industries researched in this book and get yourself the job you always wanted without the cost and time involved with getting a four year college education i have nothing against getting a degree and there are still many fields where

they will always be mandatory however the trades service industries government railroads law enforcement plus many others will welcome you with open arms without the need for a four year degree i hope this book helps

monograph on labour law and racial discrimination in the usa analyses trade union responses and labour relations practices with respect to civil rights legislation and equal opportunity for black and other minority groups and covers institutional frameworks grievance procedures jurisprudence etc references
