have you ever visited a prairie a prairie is filled with tall grass some of the animals there live underground read this book to learn more about prairies book jacket

little house on the prairie meet laura ingalls the little girl who would grow up to write the little house books pa ingalls decides to sell the little log house and the family sets out for indian country they travel from wisconsin to kansas and there finally pa builds their little house on the prairie sometimes farm life is difficult even dangerous but laura and her family are kept busy and are happy with the promise of their new life on the prairie ages 8 12

the third book in laura ingalls wilder s treasured little house series now available as an ebook this digital version features garth williams s classic illustrations which appear in vibrant full color on a full color device and in rich black and white on all other devices the

adventures continue for Laura Ingalls and her family as they leave their little house in the big woods of Wisconsin and set out for the big skies of the Kansas territory. They travel for many days in their covered wagon until they find the best spot to build their house. Soon they are planting and plowing, hunting wild ducks and turkeys and gathering grass for their cows. Just when they begin to feel settled, they are caught in the middle of a dangerous conflict. The nine Little House books are inspired by Laura's own childhood and have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming unforgettable stories.

While Canada is home to one of the largest Ukrainian diasporas in the world, little is known about the life and culture of Ukrainians living in the country's rural areas and their impact on Canadian traditions. Drawing on more than ten years of interviews and fieldwork, *Ukrainian Ritual on the Prairies* describes the culture of Ukrainian Canadians living in the prairie provinces of Alberta and Saskatchewan despite powerful pressure to assimilate. These Ukrainians have managed both to preserve their sense of themselves as Ukrainian and to develop a culture sensitive to the realities of prairie life, creating their own uniquely Ukrainian-Canadian traditions. The Ukrainian church, an iconic though now rapidly disappearing feature of the prairie landscape, takes centre stage as an instrument for the retention of Ukrainian identity and the development of a new culture. Natalie Kononenko explores the cultural elements of Ukrainian-Canadian ritual practice with an emphasis on family traditions surrounding marriage, birth, death, and religious holidays. *Ukrainian Ritual on the Prairies* gives voice to a group of everyday people who are too often overlooked, highlighting their accomplishments and their contributions to Canadian life.

A leading agricultural magazine founded by the Union Agricultural Society of Chicago and a champion of farmers' rights, besides articles on agriculture, horticulture, and stock raising, it provided general and market news, a children's column, and departments dealing with health, household problems, and veterinary medicine. *cf. American Periodicals, 1741-1900*

Laura Ingalls Wilder wrote stories that have defined the American frontier for generations of readers. As both author and character in her own books, she became one of the most famous figures in American children's literature. Her famous *Little House on the Prairie* series, based on her childhood in Wisconsin, Kansas, Minnesota, and South Dakota, blended memoir and fiction into a vivid depiction of nineteenth-century settler life that continues to shape many Americans' understanding of the country's past. Poised between fiction and fact, literature and history, Wilder's life is a fascinating window on the American West. Placing Wilder's life and work in historical context and including previously unpublished material from the Wilder archives, *Sallie Ketcham* introduces students to domestic frontier

life the conflict between native americans and infringing white populations and the west in public memory and imagination
