this title looks at tattooing today and how this once traditional cultural practice has become mainstream both in the united states and worldwide

traditional tattoo art is rapidly changing moving away from time worn or played out motifs and instead experimenting with new styles motifs and subject matter driven both by the artists themselves and their clients needs the work is original and surprising running the gamut from fine line illustration and pointillism to blackout tattoos that take the place of clothing the themes vary from personal mantras or interests to meaningful portraits and memorials others are simply fantastic art whether wholly created by the tattooist or as homage to a favorite artist combining pages of beautiful tattoos on skin flash art and stories from the artists to create a snapshot of the evolution of a new iconography skin ink delivers

how to tattoo the artist guide is a book you will find simple and basics information of drawing tattoo specific exercises are provided that offer step by step guidelines for drawing a variety of subjects each lesson starts with an easy to draw shape that will become the basic structure of the drawing from there each step adds elements to that structure allowing the artist to build on their creation and make a more detailed image starting with the basic forms the artist is provided a guide to help see objects in terms of simplified shapes instructions for shading to add depth contrast character and movement to a drawing are then covered these elements are necessary to indicate the way something looks like it feels in a work texture or creating the repetition of shapes

lines or colors patterns showing examples of how the mind and the eyes can play tricks on each other all you need is a piece of paper a pencil and an eraser and you are ready to draw cooltattoo once the drawing is complete it can be colored shaded or designed in any way you like to make it original following these exercises is a great way to practice your craft and begin seeing things in terms of simple shapes within a complex object

in recent decades tattoos have gone from being a subculture curiosity in western culture to mainstream and commonplace this two volume set provides broad coverage of tattooing and body art in the united states today as well as around the world and throughout human history in the 1960s tattooing was illegal in many parts of the united states today tattooing is fully ingrained in mainstream culture and is estimated to be a multi billion dollar industry this exhaustive work contains approximately 400 entries on tattooing providing historical information that enables readers to fully understand the methods employed the meanings of and the motivations behind tattooing one of the most ancient ways humans mark themselves the encyclopedia covers all important aspects of the topic of tattooing the major types of tattooing the cultural groups associated with tattooing the regions of the world where tattooing has been performed the origins of modern tattooing in prehistory and the meaning of each society s use of tattoos major historical and contemporary figures associated with tattooing including tattooists tattooed people and tattoo promoters receive due attention for their contributions the entries and sidebars also address the sociological movements involved with tattooing the organizations the media dedicated to tattooing such as television shows movies magazines websites and books and the popular conventions carnivals and fairs that have showcased tattooing

tattoos are a highly visible social and cultural sight from tv series that represent the lives of tattoo artists and their interactions with clients to world class sports stars and the social actors we meet on a daily basis who display visible tattoo designs whereas in the not to distant past tattoos were commonly culturally perceived to represent an outward sign of social non conformity or even deviance tattoos now increasingly transcend class gender and age boundaries and arguably are now more culturally acceptable than they have ever been but why is this the case and why do so many social actors elect to wear tattoos tattoo culture explores these questions from historical cultural and media perspectives but also from the heart of the culture itself from the dynamics of the tattoo studio the work of the artist and the world of the tattoo convention to the perspective of the social actors who bear designs to investigate the meanings which lie being the images it critically examines the ways in which tattoos alter social actors sense of being and their relationship with time in the semiotic ways with which they communicate to themselves or to the wider world key elements of their bodily and personal identity and sense of being
