practice is a recurring and popular theme in language education however the concepts of practice and automatization have recently received renewed theoretical and practical interest and are increasingly being explored from the skill acquisition theory and cognitive psychology perspectives in this volume leading scholars discuss the optimal types amounts and schedules of practice for specific language structures and skills as well as for various types of learners and learning contexts to facilitate second language development they illuminate how practice is instantiated for specific groups of teachers and learners in diverse institutionalized contexts such as foreign language curriculum development intelligent computer assisted language learning systems task based language teaching and study abroad furthermore original methodological syntheses of extant research on practice and automatization are presented along with guides for conducting empirical research on these topics practice and automatization in second language research perspectives from skill acquisition theory and cognitive psychology is a valuable resource and reference for graduate students and researchers in the field of sla and applied linguistics

second in a series of edited volumes resulting from conferences and seminars organized by the european society for research on the education of adults preface

an up to date overview of all types of home based work is provided in this volume which makes an important contribution to sociological and policy debates on homeworking the authors argue that homeworking replicates wider divisions in the labour force and that its potential for improving women s employment opportunities is therefore limited using original research they outline the advantages and disadvantages the pay and conditions and the family situations for contemporary women homeworkers gender class racism and ethnicity are shown to be key factors in constructing the homeworking labour force the authors acknowledge the shared position that homeworkers occupy as women as well as the differences experienced by clerical manufacturing and professional homeworkers and question whether new technology in itself can be the way forward to a better paid less onerous form of homeworking

the royal marsden hospital handbook of cancer chemotherapy is a unique resource for health care professionals caring for patients with cancer it gives a detailed overview of disease specific management treatment regimens and supportive care the roles and skills required by staff and the problems that may arise for patients undergoing chemotherapy treatment are highlighted the book has been written for a multi professional audience both qualified and in training including medical staff pharmacists rehabilitation therapists nurses and those requiring a greater understanding of caring for patients undergoing chemotherapy book jacket

the third edition of this highly successful postgraduate psychiatry text offers a comprehensive review of the characteristic causes and treatment of the main psychiatric disorders as with earlier editions it is subdivided into four parts models and principles origins presentation and course of major clinical symptoms psychiatry in the social forensic and medical contexts treatments both biological and psychological it is also extensively referenced throughout and emphasises the relationship of research findings to clinical practice the text has been extensively revised and updated in line with the most recent developments in psychiatric practice and thinking in particular more discussion is given to measurement issues concepts of illness brain function and neurophysiology the highly distinguished team of contributors has also been enhanced through the introduction of one or two of the newer stars in the field this new edition will without doubt be valued by all members of the multidisciplinary mental health care team as well as general practitioners who seek an authoritative yet readable account of modern psychiatry

what if a company were so treasured and trusted that people literally took to the streets by the thousands to save it that company is market basket a popular new england supermarket chain with its arresting firsthand accounts from the streets and executive suites we are market

basket is as inspiring as it is instructive what is it about market basket and its leader that provokes such ferocious loyalty how does a company spread across three states maintain a culture that embraces everyone from cashier to customer as family can a company really become an industry leader by prioritizing stakeholders over shareholders after long time ceo arthur t demoulas was ousted by his cousin arthur s demoulas the company s managers and rank and file workers struck back risking their own livelihoods to restore the job of their beloved boss they walked out but they didn t walk far the national media and experts were stunned by the unprecedented defense of an executive all openly challenged the market basket board of directors to make things right in the end they were joined by loyal customers at protest rallies leaving stores empty suppliers and vendors stopped deliveries rendering shelves bare politicians were forced to take sides set against a backdrop of bad blood and corporate greed we are market basket is a page turner that chronicles the epic rise fall and redemption of this iconic and uniquely american company note there are links to media content within the text of this ebook which may not work on all reading devices

inspired by overtly negative coverage by the western mainstream press of muslims in particular and minorities in general this book asks why are negative narratives and depictions of muslims and other minorities so hard to change news reports about islam and muslims commonly relate stories that discuss terrorism violence or other unwelcome or irrational behaviour or the lack of integration and compatibility of muslims and islam with western values and society yet there is little research done on how studies on media reports about minorities seemingly fail to improve the situation combining empirical research with a structural analysis of the media industry this volume presents evidence for the maligned representation of minorities by media corporations analysing why negative narratives persist and outlining how these can be effectively transformed it is an outstanding resource for students and scholars of media religion culture sociology and islamic studies and is also of benefit for journalists media representatives and activists looking to effect change for minority representation in the media industry specifically or in society at large

selecting research methods provides advice from prominent social scientists concerning the most crucial steps for planning and undertaking meaningful research selecting the methods to be used contributors to the collection address methodological choices in four stages design sampling coding and measurement and analysis the volumes provide an integrated approach to methodological choice in two ways first the contributions range from the early decisions about design options through the concluding choices about analyzing interpreting and presenting results second the collection is integrated because it addresses the needs of projects that collect qualitative evidence quantitative data or both volume 1 concerns design choice the articles focus on selecting designs that are effective for answering research questions and achieving the goals of the researcher volume 2 is on sampling and includes in addition to sampling from populations advice on choosing methods for recruiting informants for interviews selecting sites for participant observation and assigning subjects to control and experimental groups volume 3 reviews options for coding and measurement it emphasizes methodological choices that enable researchers to study concepts in ways that enhance the reliability and validity of the research finally the articles included in volume 4 review the range of choices available among methods to analyze results and interpret the meanings of evidence
