these are exciting times for philosophical theorizing about propositions with the last 15 years seeing the development of new approaches and the emergence of new theorists propositions have been invoked to explain thought and

cognition the nature and attribution of mental states language and communication and in philosophical treatments of truth necessity and possibility according to Frege and Russell and their followers propositions are structured mind and language independent abstract objects which have essential and intrinsic truth conditions some recent theorizing doubts whether propositions really exist and if they do asks how we can grasp entertain and know them but most of the doubt concerns whether the abstract approach to propositions can really explain them are propositions really structured and if so where does their structure come from how does this structure form a unity and does it need to be the representational and structural properties of propositions really independent of those of thinking and language what does it mean to say that an object occurs in or is a constituent of a proposition the volume takes up these and other questions both as they apply to the abstract object approach and also to the more recently developed approaches while the volume as a whole does not definitively and unequivocally reject the abstract object approach for the most part the papers explore new critical and constructive directions this book was originally published as a special issue of the Canadian Journal of Philosophy

the second edition of the EU treaties and the Charter of Fundamental Rights a commentary provides an article by article summary of the TEU the TFEU and the Charter of Fundamental Rights to reflect the latest developments in the law since publication of the first edition in 2019 it offers a quick reference to the provisions of the treaties how they are interpreted and applied in practice and to the most important legal instruments enacted on their basis the fully updated commentary considers key developments in all areas of EU law including the debates and requirements around the rule of law legal decisions in relation to the COVID-19 pandemic climate change measures such as the European Green Deal as well as recent changes to the common agricultural policy it also includes significant court rulings on freedom security and justice migration and asylum as well as issues relating to freedom of movement and Brexit the new edition outlines the Digital Markets Act a major piece of legislation adopted in 2022 and contains significant updates on EU competition law in the light of new regulations and guidelines written by a team of contributors drawn from the legal service of the European Commission and from academia the commentary offers expert guidance to practitioners and academics seeking fast access to the treaties secondary law and current practice the commentary follows a set structure offering a short overview of the article the article text itself a key references list including essential case law and legislation followed by a structured commentary on the article the editors and contributors combine experience in practice with a strong academic background and have published widely on a variety of EU law subjects

the study presents archival evidence to show how president kaunda raised political and economic exclusivity in zambia in the early years of zambia s independence and how this retarded capital investment despite formal reforms and a new government this institutional mechanism still dominates and constrains zambia s political economy today

this book is a cultural exploration of health and wellness with a focus on impacts of covid 19 on the population of india the chapters in this book present original research systematic reviews theoretical and conceptual frameworks encompassing multidisciplinary inter and intra disciplinary fields of study in the context of how culture and disease sufficiently unpack and inform each other the book includes contributions from the social sciences and the humanities and analyses issues that range from smallpox to the history of vaccine indigenous healing practices the macbeth paradigm zizekian encounters mental asylum and marginalised genders using the theme of intellectual interconnectedness in the times of self isolation and social distancing the book is a collaboration of critical thinkers who identify and visibilize the hidden global issues related to disease and health that have divided the world into narrow binaries individual society poor rich proletariat bourgeoisie margin centre colonised coloniser servitude liberty powerless powerful by doing so the book emphasises the potential of holistic wellness to improve human life and humanity across the globe a novel contribution on the cultural factors that played an important role in contemporary times of covid 19 this book will be of interest to researchers in the fields of cultural studies health and society and south asian studies

this book traces the evolution of white house news management during america s changing media environment over the past two decades comparing and contrasting the communication strategies of bill clinton george w bush barack obama and donald trump it demonstrates the difficulty that all presidents have in controlling their messages despite a seemingly endless array of new media outlets and the great advantages of the office that difficulty is compounded by new media s amplification of presidential character traits for good or ill facebook twitter and youtube notwithstanding presidential power still resides in the power to persuade and that task remains a steep challenge more than ever presidential character matters and the media presidents now employ report on the messenger as much as the message the book also looks at the media strategies of candidates during the 2016 presidential campaign puts presidential media use in global context and covers the early phase of the trump administration the first true twitter presidency

the new 9th edition of sales management continues the tradition of blending the most recent sales management

research with real life best practices of leading sales organizations the authors teach sales management courses and interact with sales managers and sales management professors on a regular basis their text focuses on the importance of employing different sales strategies for different consumer groups as well as integrating corporate business marketing and sales strategies sales management includes current coverage of the trends and issues in sales management along with numerous real world examples from the contemporary business world that are used throughout the text to illuminate chapter discussions key changes in this edition include updates in each chapter to reflect the latest sales management research and leading sales management trends and practices an expanded discussion on trust building and trust based selling as foundations for effective sales management all new chapter opening vignettes about well known companies that introduce each chapter and illustrate key topics from that chapter new or updated comments from sales managers in sales management in the 21st century boxes an online instructor s manual with test questions and powerpoints is available to adopters

uniform customs administration is of great importance for the eu and the competitiveness of eu businesses in global trade however the eu s so called executive federalism raises the potential for the non uniform application of eu customs law this problem has already arisen in the european communities selected customs matters wto dispute settlement therefore the central research question of this book concerns the challenge presented to executive federalism in the eu customs union by the wto it also examines those safeguard measures for uniform customs administration which are in operation valuable empirical analysis of the decision making procedures and practices of the national customs authorities allows for the fullest understanding of the operation of the customs administration an important feature of the exploration is its analysis of the reform of eu customs law and of the effectiveness of the european union s strategies to enhance uniform customs administration that analysis helps to identify potential weak points in the decentralised administration of eu customs law and suggests ways in which it might be improved scholarly rigorous and timely this important study will be required reading for all scholars of eu customs law
