curriculum scholars and teachers working for social justice and equity have been caught up in acrimonious and polarizing political debates over content ideology and disciplinary knowledge

at the forefront in cutting through these debates and addressing the practical questions involved this book is distinctive in looking to the technical form of the curriculum rather than its content for solutions the editors and contributors all leading international scholars advance a unified principled approach to the design of curriculum and syllabus documents that aims for high quality high equity educational outcomes and enhances teacher professionalism with appropriate system prescription stressing local curriculum development capacity and teacher professional responses to specific community and student contexts this useful practical primer introduces and unpacks definitions of curriculum syllabus the school subject and informed professionalism presents key principles of design discusses a range of approaches and offers clear realistic guidelines for the tasks of writing curriculum documents and designing official syllabi and professional development programs at system and school levels providing a foundational structure for syllabus design work curriculum syllabus design and equity is relevant for teachers teacher educators and curriculum policy workers everywhere who are engaged in the real work of curriculum writing and implementation

there is a national emergency and it has become more pronounced as south africa faces challenges of ethical leadership in both the private and public sector recently the zondo commission public investment corporation pic commission and courts of law released reports that cast light on the conduct of public officials there have also been several reports by the special investigating unit siu dealing with the same matter this phenomenon is not only unique to south africa reports of multinational companies that have been implicated in unethical and corrupt abound these include corporate scandals such as those of enron worldcom nortel and aig these malfeasances have demonstrated abundantly that corporate leaders are not immune to unethical behaviour bedi alpasla green 2015 naidoo 2012a what this showed is that the issue of ethics is important in the public sector

includes critical reviews
