existing research on monsters acknowledges the deep impact monsters have especially on politics gender life sciences aesthetics and philosophy from sigmund freud s essay the uncanny to scott poole s monsters in america previous studies offer detailed insights about uncanny and immoral monsters however our anthology wants to overcome these restrictions by bringing together multidisciplinary authors with very different approaches to monsters and setting up variety and increasing diversification of thought as guiding patterns existing research hints that monsters are embedded in social and scientific exclusionary relationships but very seldom copes with them in detail erving goffman s doesn t explicitly talk about monsters in his book stigma but his study is an exceptional case which shows that monsters are stigmatized by society because of their deviations from norms but they can form groups with fellow monsters and develop techniques for handling their stigma our book is to be understood as a complement and a further development of previous studies the essays of our anthology pay attention to mechanisms of inequality and exclusion concerning specific historical and present monsters based on their research materials within their specific frameworks in order to create engaging constructive critical and diverse approaches to monsters even utopian visions of a future of societies shared by monsters our book proposes the usual view that humans look in a horrified way at monsters but adds that monsters can look in a critical and even likewise frightened way at the very societies which stigmatize them

siew seeks to examine the events that will unfold within the three and a half years before the dawn of the kingdom of god on earth he argues that john composed the textual unit of rev 11 1 14 5 as a coherent and unified literary unit structured in a macro chiasm he pays special attention to the fusion of form and content and seeks to elucidate how the concentric and chiastic pattern informs the meaning of the literary units within 11 1 14 5 and proposes that the text of 11 1 14 5 is best analyzed using hebraic literary

conventions devices and compositional techniques such as chiasm parallelism parataxis and structural parallelism the macro chiastic pattern provides the literary structural framework for john to portray that the events of the last three and a half years unfold on earth as a result of what transpires in heaven specifically the war in heaven between michael and the dragon has earthly ramifications the outcome of the heavenly war where satan is defeated and thrown out of heaven to earth results in the war on earth between the two beasts of rev 13 and the two witnesses of rev 11 the narrative of the war in heaven 12 7 12 is seen as the pivot of the macro chiastic structure siev pays close attention to the time period of the three and a half years as a temporal and structural marker which functions to unite the various units in 11 1 14 5 into a coherent and integral whole the events of the last days will be centred in jerusalem

this book offers a historicizing perspective on the question of gender in fairy tales focusing on past and present versions of four classic stories in order to analyze their varying representations of women
