not all definitions of leadership are equal this book helps pastors minister effectively by understanding the unique nature of being a christian leader

with contributions from leading authors in the most important areas of current research this book provides insight into the streams that are driving leadership theory and practice today the second edition provides students with an updated and complete yet concise handbook that solidifies and integrates the vast and disparate leadership literature

this book contains anecdotes from the author s own experiences including his participation in the landmark university of michigan affirmative action supreme court case as well as lessons he learned from meeting world famous figures like former secretary of state madeleine albright and bishop desmond tutu it uses unique approachable metaphors to describe different kinds of leadership styles the author points to both successes and failures his own as well as those of his subjects and describes eloquently how mammalian reptilian and other attributes contributed to those outcomes uncommon in leadership books is the idea of visionary succession planning being a hallmark of a great leader white illustrates how the best succession planning recognizes the importance of both mammalian and reptilian characteristics

leadership can be described as a set of effective characteristics or habits that one exhibits on a daily basis that influences others have you ever stopped to think about your habits and how they impact your leadership outcomes habits form when behavior is repeated and becomes unconsciously automatic after enacted on continuously quality leadership actions will too become instinctive when they are repeated multiple times thus becoming second nature actions since a habit is an avenue that your brain automatically follows you will need to reengineer some of your thought process and

execute new actions repeatedly until the actions become inherent the actions outlined in this book will be sure to take your leadership success to the next level the only way to stay sharp and effective in your leadership is to constantly apply the traits that are used and taught by effective leaders when the traits expressed in this book are put into action and consistently performed you will soon do them almost without thinking and in turn become a second nature leader

this book is an odyssey into the truth of leadership s nature and essence written for aspiring leaders teachers of leaders and followers the aim is to practice awakening a leader s potential the book mirrors and reflects the inner nature of the leadership journey it is written in a contemplative style and uses dialogue to exercise a leader s will intelligence and spirit the techniques taught in these chapters are dialogue meditation and contemplation the author seeks to teach leaders how to exercise the power of will and the power of intelligence to make the kinetic chain of knowing willing and acting morally and intellectually strong reading this book serves as a leadership development exercise this book is a teaching tool designed to demystify what takes place in the interior nature of a leader it examines a leader s soul as it is exercised and strengthened in preparation for the cardinal act of leading and it analyzes the act of making practical judgments an act that demands the cultivation of a discerning mind to see and know the truth to be acted upon based on a true story these chapters are a reflection on the formation of a leader and a realization of twenty years of research the author studies the question what does it take to develop a leader deliberations on eight years of guiding leaders on moral and intellectual quests in search of true freedom are revealed

the quality of an organization s top leaders is a critical influence on its overall effectiveness and continuing adaptability yet little current research examines leadership within the context of organizational structure such as how leaders influence organizational performance in those key moments when an executive s action is

critical to driving the organization forward this book represents a significant contribution to the literature of leadership combining a contextual approach to organizational leadership with an in depth treatment of the cognitive social and affective dynamics underlying that leadership the nature of organizational leadership using an interdisciplinary approach that draws from the work of scholars in both management and psychology provides a much need organizational perspective on the problems to confronted by top executive leaders and the requisite behaviors attributes and outcomes necessary to lead organizations effectively

recognize develop and embody great leadership seven disciplines of a leader is a comprehensive manual for building better leaders author and executive coach jeff wolf is a respected authority on leadership and his strategies and inspiration have fostered dramatic growth in some of the nation s top companies in this book he shares the secrets of great leadership to help readers align professional development and exemplify these traits themselves each of the disciplines is valuable on its own but together they add up to more than a sum of their parts and work synergistically to propel leaders to higher and higher effectiveness and companies to better and better business from initiative to planning to community service readers will gain deep insight into what separates the good from the great and how organizations can nurture these qualities in their employees with leadership potential a good leader gets results but a great leader inspires every single member of the team to reach their utmost potential every single time a great leader makes everyone shine and provides the vision the tools and the support people need to do their very best work this book describes how it s done and how greatness can be learned discover the traits that make leaders great align leadership development training to maximize potential foster the right attitudes and behaviors for better outcomes build a culture of sustainable success that permeates the organization individual achievement is great but fostering a culture of achievement sends business into the future on an upward trajectory it s more than just

a single inspired employee it's about recognizing the signs of potential leadership and nurturing them to fruition throughout the organization seven disciplines of a leader is the field guide to great leadership

this fully updated second edition offers an unflinching and comprehensive overview of the full range of both practical and theoretical issues facing educational leadership today editor fenwick w english and 30 renowned authors boldly address the most fundamental and contested issues in the field including culturally relevant and distributed leadership critical policy and practice issues predicting the new century's conflict the paradox of changes and the promises paradoxes and pitfalls of standards for educational leaders

drawing from years of research and theological reflection this work challenges contemporary leaders to move beyond power driven leadership to a model that prioritizes service responsibility and god centered governance whether you are a pastor executive or aspiring leader this book offers a biblically grounded roadmap to lead with wisdom and purpose
