excerpt from the meaning of the cross studies of the cross of christ throughout the bible the new birth becomes an actual experience the moment that we receive the lord jesus christ as our saviour by that act on the ground of the atoning sacrifice of the son of god we receive new life even the life of god we pass into a

new stage that of spiritual regeneration regeneration by the holy spirit and we enter into a new position that of being the children of god now i dare not and can not emphasize too strongly the necessity of the new birth simply because the new birth produces the new creation and the new creation is god's imperative demand and requirement for new life and for new service one of our old scottish preachers once said all mankind hangs either at the cradle of adam or at the cradle of christ and we have to choose i venture to say that the ordinary churchgoer has little or no idea of the meaning of that and yet it is one of the essential facts of the word of god the old head of the race was adam and adam failed and fell and the old creation failed in him and fell with him it is very important to be quite clear about that i want to quote from a great bible teacher if man never fell then the christ of the gospels lived and taught and died unnecessarily these are words that ought to be placarded abroad to day that man is consistent who abandons all rather than he who professing still to own allegiance to christ denies some parts of the whole it is a pity that all of our liberal theologians could not read these words these are words by j campbell morgan in the introduction to the book of genesis in his analyzed bible about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

i am crucified with christ nevertheless i live yet not i but christ lives in me and the life which i now live in the flesh i live by the faith of the son of god who loved me and gave himself for me galatians 2:20 i want to tell you what perhaps the greatest christian who ever lived the apostle paul thought of the cross of christ believe me the cross is one of deepest importance this is no mere question of controversy this is not one of those points on which men may agree to differ and feel that differences will not shut them out of heaven a man must be right on this subject or he is lost forever heaven or hell happiness or misery life or death blessing or cursing in the last day all hinges on the answer to this question what do you think about the cross of christ let me show you 1 what the apostle paul did not glory in 2 what paul did glory in 3 why all christians should think and feel about the cross like paul
