twentieth century poetic translation analyses translations of italian and english poetry and their roles in shaping national identities by merging historical cultural and theoretical perspectives focusing on specific case studies within the italian english and north american literary communities spanning from authoritative translations of poets by poets to the role of dialect poetry and anthologies of poetry the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons it brings together leading scholars in the history of the italian language literary historians and

translators specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in italian and english in the twentieth century

this collection reflects on the state of the art of research into the use of translation technologies in the translation of creative texts encompassing literary texts but also extending beyond to cultural texts and charts their development and paths for further research bringing together perspectives from scholars across the discipline the book considers recent trends and developments in technology that have spurred growing interest in the use of computer aided translation cat and machine translation mt tools in literary translation chapters examine the relationships between translators and these tools the extent to which they already use such technologies the challenges they face and prevailing attitudes towards these tools as well as the ethical implications of such technologies in translation practice the volume gives special focus to drawing on examples with and beyond traditional literary genres to look to these technologies use in working with the larger group of creative texts setting the stage for many future research opportunities the book will be of particular interest to students and scholars in translation studies especially those with an interest in literary translation translation technology translation practice and translation ethics chapters 2 3 of this book are freely available as a downloadable open access pdf under a creative commons attribution non commercial no derivatives 4 0 license available at [taylorfrancis.com](http://taylorfrancis.com)

new york times bestseller and winner of the costa book award composed toward the end of the first millennium beowulf is the elegiac narrative of the adventures of beowulf a scandinavian hero who saves the danes from the seemingly invincible monster grendel and later from grendel s mother he then returns to his own country and dies in old age in a vivid fight against a dragon the poem is about encountering the monstrous defeating it and then having to live on in the exhausted aftermath in the contours of this story at once remote and uncannily familiar at the beginning of the twenty first century nobel laureate seamus heaney finds a resonance that summons power to the poetry from deep beneath its surface drawn to what he has called the four squareness of the utterance in beowulf and its immense emotional credibility heaney gives these epic qualities new and convincing reality for the contemporary reader

the translator s mirror for the romantic cao xueqin s dream and david hawkes stone is a book that uses precious primary sources to decipher a master translator s art in stone a

brilliant english translation of the most famous chinese classic novel dream this book demonstrates a bilingual close reading which sheds light on both the original and its translation by dividing the process of translation into reading writing and revising and involving the various aspects of sinological research textual criticism recreation and literary allusions this book ventures to emphasise the idea of translation as a dialogue between the original and the translated text between the translator and his former self and a learning process both for the translator and the reader of his translation any student of chinese language and literature or chinese english translation will benefit from this book for students and scholars who want to study david hawkes and his stone this book is an indispensable aid readers will be interested to see how a non theoretical analysis could be used to evaluate this translation for it makes an extremely important and useful contribution to this subject

chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between mexican and american identities and sometimes pushed to the edge by authorities who seek to restrict their freedom as this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as chicana o literature has struggled for economic viability and visibility on the margins of the american publishing industry while chicana o writers have grappled with editorial practices that compromise their creative autonomy from the edge reveals the tangled textual histories behind some of the most cherished works in the chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print allison fagan demonstrates how the texts surrounding the authors words from editorial prefaces to spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of chicana o literature to gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books from the edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within chicana o literature we must understand the material conditions that governed the production publication and reception of these works by teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins

published with academic researchers and graduate students in mind this volume of the

shakespeare survey presents a number of contributions on the theme of shakespeare s comedies as well as the comedy in shakespeare s other works

this special bilingual edition of sun tzu s original art of war uses the best of archaeological and academic research to recover the original chinese text and faithfully recreate it in english eschewing the unnecessary wordiness and inaccurate abstractions that mar other english translations beautifully adorned with the original chinese text critics agree sun tzu s original art of war brings the modern english reader as close as possible to experiencing sun tzu as his readers first did some 2500 years ago revealing the vivid clear and simple military text sun tzu intended whether it s for the boardroom the battlefield or cultural study sun tzu s original art of war makes the brilliance of sun tzu plain for all to see
