this book is about the dynamics of the early state it is based on new theoretical insights into the evolution of socio political organizations and on a number of carefully selected case studies the dynamic aspects of the early state considered here are the changes and transformations that occur in the socio political organization once the early state has come into existence

african feminism this landmark volume demonstrates differs radically from the western forms of feminism with which we

have become familiar since the 1960s african feminists are not by and large concerned with issues such as female control over reproduction or variation and choice within human sexuality nor with debates about essentialism the female body or the discourse of patriarchy the feminism that is slowly emerging in africa is distinctly heterosexual pronatal and concerned with bread butter and power issues contributors present case studies of ten african states demonstrating that as they fight for access to land for the right to own property for control of food distribution for living wages and safe working conditions for health care and for election reform african women are creating a powerful and specifically african feminism

in this first ground level account of the muslim separatist rebellion in the philippines thomas mckenna challenges prevailing anthropological analyses of nationalism as well as their underlying assumptions about the interplay of culture and power he examines muslim separatism against a background of more than four hundred years of political relations among indigenous muslim rulers their subjects and external powers seeking the subjugation of philippine muslims he also explores the motivations of the ordinary men and women who fight in armed separatist struggles and investigates the formation of nationalist identities a skillful meld of historical detail and ethnographic research muslim rulers and rebels makes a compelling contribution to the study of protest rebellion and revolution worldwide in this first ground level account of the muslim separatist rebellion in the philippines thomas mckenna challenges prevailing anthropological analyses of nationalism as well as their underlying assumptions about the interplay of culture and power he exa

a study of identity and its connection to memory focusing on the history of community identity formation among the tai ahom in assam
