in storytelling in bali hildred geertz makes a case for the importance of the role of informal storytelling as an engine of social change in bali in the 1930s this is a study of more than 200 texts dictated by the painters of the village of batuan in 1936 to the anthropologist gregory bateson it is completed by three years field work in batuan in the 1980s the tales reveal a set of strong ambivalences about the magical powers of kings priests and sorcerers and about social strains within villages and families these narratives were related in the daily settings of home and coffee shop and also in the spectacular dance dramas of the time

the question of power and agency between children and adults within the context of traditional balinese dance remains multilayered while adults exercise authority over children in formal settings an alternative dynamic exists outside the confines of traditional performance contexts where children operate as artistic agents in this illuminating ethnographic study of balinese dance traditions jonathan mcintosh examines how children navigate the nexus of practice performance and power through the medium of balinese culture from structured dance classes to gatherings that embrace popular music children dancing in bali spotlights the creative potential of balinese performance practices to negotiate identity and society

this work offers a cross analysis of the development of tourism in bali combining international and intercultural from indonesian french australian and english researchers transdisciplinary and inter generational research it questions the capacity of tourism to be a vector of sustainable development by analyzing its various social economic and environmental effects within balinese society as such it represents not only a great research tool but a fantastic teaching aid each chapter comes with its own bibliography and thus acts as a standalone case study while making a contribution to the overall thrust of the book

it can be difficult enough starting a successful business in your own country let alone in a foreign country like indonesia the dream of running your own guesthouse or restaurant by the beach on a tropical island like bali doesn t stop people wanting to give it a try this guide on how to start a business in bali was written to help guide people through the ropes of setting up a company and establishing a successful business the book goes beyond the author s experience by including interviews with

successful expat entrepreneurs who have a combined experience of over 80 years in indonesia the advice is practical and to the point while the guide focuses on bali the information could also be applied to other locations in indonesia as well

lela in bali tells the story of an annual festival of eighteenth century kingdoms in northern cameroon that was swept up in the migrations of marauding slave raiders during the nineteenth century and carried south towards the coast lela was transformed first into a mounted durbar like those of the muslim states before evolving in tandem with the german colonial project into a festival of arms reinterpreted by missionaries and post colonial cameroonians lela has become one of the most important of cameroonian festivals and a crucial marker of identity within the state richard fardon s recuperation of two hundred years of history is an essential contribution not only to cameroonian studies but also to the broader understanding of the evolution of african cultures

this is a book about passion obsession and discovery in an amazing land but also about the voyage of a highly talented composer and writer a house in bali remains one of the most remarkable books ever written about the fabled island of bali this classic book tells the story of balinese culture through a history of balinese music first published in 1947 it tells the story of the writer and composer colin mcphee s 1900 64 obsession with a music once unknown to the west and of his journey to bali to experience it firsthand in 1929 the young canadian born musician chanced upon rare gramophone recordings of balinese gamelan music which were to change his life forever from that moment he lived for the day when he could set foot on the island where the clear metallic music originated he was able to realize his dreams and spent almost a decade there during the 1930 s music of bali and dance as mcphee discovered to his delight are

second nature to the balinese and his subsequent writings and compositions proved seminal in popularizing balinese gamelan music in the west in a house in bali mcphee unfolds a beguiling picture of a society long established staggeringly poor in western terms but rich beyond belief in spiritual values and joy the young composer writes about his discoveries of music in bali and growing understanding of an astonishing culture where the arts are a prime preoccupation and of the arts music is supreme much has been written on bali but this classic work from 1947 remains the only narrative by a western musician

leon rubin and i nyoman sedana both international theatre professionals as well as scholars collaborate to give an understanding of performance culture in bali from inside and out the book describes four specific forms of contemporary performance that are unique to bali wayang shadow puppet theatre sanghyang ritual trance performance gambuh classical dance drama the virtuoso art of topeng masked theatre these culturally unique and beautiful theatrical events are contextualised within religious intellectual and social backgrounds to give unparalleled insight into the mind and world of the balinese performer

includes 39 photographs taken by the author during his time in bali a young american composer quite by accident heard some gramophone records of balinese gamelan music that were to change his life completely such was his fascination that he wanted to hear every gamelan in the countryside this book is an account of his stay in bali just before the pacific war a house in bali merits republication because of its sympathetic and often amusing account of the author s involvement in balinese society while the author s musical interests take up a considerable part of the narrative music was itself such an integral part of balinese life that the reader gets an overall impression of life on the island much has been written on the art of bali and by artists but this is the only narrative by a musician and stands in its own right as a worthwhile period piece
