over several decades scholarship in new testament and early christianity has drawn attention both to the ways in which ancient mediterranean conceptions of embodiment sexual difference and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present the result is that the study of gender and sexuality in early christianity has become an increasingly complex undertaking this is a complexity produced not only by the intricacies of conflicting historical data but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place yet at the same time recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early christian history and also proved relevant to ongoing theological and social debates the oxford handbook of gender and sexuality in the new testament provides a roadmap to this lively scholarly landscape introducing both students and other scholars to the relevant problems debates and issues leading scholars in the field offer original contributions by way of synthesis critical interrogation and proposals for future questions hypotheses and research trajectories

in a diabolical voice justine I trombley traces the afterlife of the mirror of simple souls which circulated anonymously for two centuries in four languages though not without controversy or condemnation widely recognized as one of the most unusual and important mystical treatises of the late middle ages the mirror was condemned in paris in 1310 as a heretical work and its author marguerite porete was burned at the stake trombley identifies alongside the work s increasing positive reception a parallel trend of opposition and condemnation centered specifically around its latin translation she s discovered fourteenth and fifteenth century theologians canon lawyers inquisitors and other churchmen who were entirely ignorant of the mirror s author and its condemnation and saw in the work dangerous heresies that demanded refutation and condemnation of their own using new evidence from the mirror s largely overlooked latin manuscript tradition a diabolical voice charts the range of negative reactions to the mirror from confiscations and physical destruction to academic refutations and vicious denunciations of its supposedly fiendish doctrines this parallel story of opposition shows how heresy remained an integral part of the mirror s history well beyond the events of 1310 revealing how seriously churchmen took marguerite porete s ideas on their own terms in contexts entirely removed from marguerite s identity and her fate emphasizing the complexity of the mirror of simple souls and its reception trombley makes clear that this influential book continues to yield new perspectives and understandings

containing full pedigree of all the imported thorough bred stallions and mares with their produce

excerpt from the life of robert e lee for boys and girls this book is written with the hope that through it the life and character of lee may become more real to the generation of young americans now growing up his was a life worthy of study by all young people particularly those who are americans in the happy day to which we are now come when the division between the sections for years past one of sentiment alone is fast disappearing the nation as a whole pays tribute to the lofty character the sturdy americanism and the essential

greatness of robert edward lee no less than to that of abraham lincoln if this little book by making better known the character and purity of motive of lee and those he represented may in some degree hasten the time when the last trace of bitterness between the north and south shall have disappeared the authors will feel that it has well fulfilled its purpose there is a certain appropriateness in the year of its appearance about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
