this book and the ones that follow for each of the other books in the bible is written for the purpose of providing a more in depth understanding and knowledge of the scriptures based upon the original text language this book is also for the purpose of teaching or reminding readers of the following facts about the bible the bible is a unified text in that its theme is carried out from genesis to revelation without contradiction in spite of the fact that it was written over a period of several hundred years by a number of different writers each book chapter and verse hinges on the others meaning none of the bible can be isolated from the rest of it the full meaning and story is dependent on the whole text in order to be complete

most bible readers can relate with the good intentions of starting a bible in a year program things generally go well for a few weeks until well the book of leviticus a few missed days can easily become a missed week then two then three by the month of april many people give up the struggle to read through the bible as a whole leaves many readers lacking confidence in their understanding of the overarching narrative what significance does each book have what role does jesus play does the old testament contradict the new testament is god really the same throughout it all history in 30 weeks is an in depth overview of the bible that offers readers the opportunity to inductively study the key aspects of the story of redemption as revealed from genesis to revelation the read and observe approach helps you uncover the key messages of scripture first hand and then apply the timeless truths to your own life as you move through the study you ll have the chance to read portions from each of the 66 books of the bible as familiarity breeds more confidence you can feel assured in not only what you believe but why you believe it

these lectures are intended to lay before english readers who cannot devote the time and thought needed for the study of larger and more technical works the most important results of the criticism of the pentateuch and incidentally of other portions of the hebrew scriptures preface

god and bible demonstrates that the bible is not a rigidly fixed fundamentalist narrative describing events of long ago but an exciting treasury of spiritual questions dramatic surprises

competing theological perspectives and even conflicting ideas all of which challenge the contemporary reader to deeper reflection and stronger faith in a series of brief engaging essays the author discusses the creation accounts the flood story abraham the entry into canaan the judges david and the kingship the prophets jonah job and much more each section begins with an introduction outlining the latest scholarship in accessible language and ends with a series of personal reflections assuming that the bible is not about a distant then the author explores biblical texts for what they tell us about ourselves today for example why are there multiple creation accounts in the bible and what insights do they give us about unchanging human nature how do these insights apply to the world we live in now drawing on the best of cutting edge biblical scholarship this book unlocks the meaning and meanings of the scriptures and shows how they challenge us to ask the questions that will truly transform our lives
