this is a report on domestic violence in namibia

domestic violence is a serious social problem that is heart breaking to each and every victim who experiences the abuse however it has hitherto been depicted in a misleading manner by portraying men as always the perpetrators and women always the victims this book is packed with factual evidence that shows that men are also victims of

domestic violence perpetrated by their wives or female partners and in high numbers it thus dispels this old misleading stereotype and establishes that domestic violence is not a gender issue as heretofore portrayed but a social issue and one capable of being perpetrated by either partner in an intimate relationship truth and prejudice mens experiences of domestic violence is based on a review of research findings from around the world covering australia canada china south africa uganda united kingdom and united states confirming the reality of domestic violence against men by their wives or female partners the book unveils the truth head on and lays bare the prejudice that male victims are subjected to by those responsible for responding to domestic violence victims divided into four chapters each examining a key issue of mens experiences the subjects under discussion are the prevalence and extent of this abuse against men detrimental impact of this on them the disparity in support service provision and biased response to male victims concluding with an overview of the main arguments and recommendations for a way forward the book is comprehensive in its examination of these issues and jargon free thus capable of appealing to all those men or women interested in the unbiased portrayal of domestic violence in our societies

this dissertation is a feminist sociological ethnography of a domestic violence court in san francisco in this study i examine court procedures and discourses i e negotiations arguments and judgments involved in the legal processing of criminal domestic violence committed by male batterers against women and children

this book debates the extent and nature of domestic violence and how it can be reduced

a psychologist who served on a florida commission intended to develop treatment standards for batterers mckenzie gives an overview of the magnitude of domestic violence and the spousal battery cycle he examines the making of a batterer counseling for both the batterer and his victim and the sometimes lackadaisical response of police and courts in the united states stopping domestic violence will require the cooperation of law enforcement mental health professionals medical practitioners the judicial system and the academic community he finds written in rather dry scholarly style the work is aimed primarily at those professionals and not at the battered woman includes a directory of domestic violence centers around the country annotation copyright by book news inc portland or

one of the most difficult and dangerous things a person can do is to leave an abusive relationship this book provides insights into what victims go through and the challenges they face to change from victims to survivors it is filled with real life stories and experiences as well as quotes from survivors who have made that change it also provides information the author feels is important not only for the survivor but also for the family friends and loved ones of those caught up in the frightening crazy making world of abusive relationships the author addresses such issues as what is domestic violence why do victims stay and or return to the abuser what are the psychological emotional and verbal tools the abuser uses to control the victim what is the worst part of the abuse according to victims what is the cycle of abuse and how does it compare to the cycle of respect why is it so hard to get away what is safety planning and how can friends family and loved ones play a big part in it

a collection of readings from interdisciplinary materials the material is geared toward advanced undergraduate courses as well as graduate courses in sociology social work or

other courses where the study of family violence is a major component major scholars both academic and practitioners are included and interested instructors will recognize well known names and research now in a second edition these readers contain recently published articles and selections concerned with family violence in other cultures

both conceptual and practical this book examines the relationship between family abuse and deviant behavior using an approach that integrates theory research findings and programmatic efforts family abuse consequences theories and responses is unique in that it places family abuse within a theoretical context covering sociological psychological and biological theories topic coverage is comprehensive and includes an assessment of the quality of current treatment and prevention efforts and also proposes various solutions to family abuse for social workers sociologists and students of these disciplines

in the resource guide you will find a description of a five phased process of community mobilisation that uses five key strategies and a variety of participatory activities to help organisations develop and implement a domestic violence prevention project in their communities organisations can use the resource guide as a foundation for their community intervention as a rich library of activity suggestions or as a reference to supplement their ideas and technical knowledge back cover

a handbook on domestic violence victim survival techniques domestic violence is a crime domestic violence is about power and control over another person it is not a problem with anger rarely do you see an abuser act violently with friends coworkers or a boss it is a jekyll and hyde personality that confuses others who learn of a person's violence with their partners abusers can act charming loving and attentive when they want to drinking drugs genetics the victim's behavior or stress does not cause domestic violence it is learned behavior it is learned in the home by observation and reinforcement before the age of 10 domestic violence happens in all races religions and socio economic groups a relationship starts in the honeymoon phase over time tension starts building usually when the abuser feels that the victim is sufficiently hooked into the relationship either through marriage moving in together or getting pregnant the abuse starts the honeymoon phase is what hooks the victim back into the relationship and keeps the cycle moving over time the cycle reduces to just tension abuse and the episodes of violence get more frequent and severe victims often leave their abusers an average of five to seven times before they are able to leave permanently the victim is in greater danger when they decide to leave only the victim can decide what is best for them and their children it is important to recognize that they are the experts in their relationship not an outsider never tell a victim just leave him her the victim must develop a safety plan they will know when it will be the best time to leave summary domestic violence also domestic abuse spousal abuse battering family violence and intimate partner violence is a pattern of behavior which involves violence or other abuse by one person against another in a domestic context such as in marriage or cohabitation intimate partner violence is domestic violence against a spouse or other intimate partner domestic violence can take place in heterosexual or same sex relationships domestic violence can take a number of forms including physical emotional verbal economic and sexual abuse which can range from subtle coercive forms to marital rape and to violent physical abuse that results in disfigurement or death globally a wife or female partner is more commonly the victim of domestic violence though the victim can also be the male partner or both partners may engage in abusive or violent behavior or the victim may act in self defense or retaliation

domestic violence often occurs because the perpetrator believes that abuse is justified and acceptable and may produce intergenerational cycles of abuse that condone violence awareness perception definition and documentation of domestic violence differs widely from country to country there may be a cycle of abuse during which tensions rise and an act of violence is committed followed by a period of reconciliation and calm victims of domestic violence may be trapped in domestic violent situations through isolation power and control insufficient financial resources fear shame or to protect children as a result of abuse victims may experience physical disabilities chronic health problems mental illness limited finances and poor ability to create healthy relationships victims may experience post traumatic stress disorder children who live in a household with violence show dysregulated aggression from an early age that may later contribute to continuing the legacy of abuse when they reach adulthood domestic violence often happens in the context of forced and child marriage 2

examines issues related to child abuse battered wives and other family violence concerns and what can be done about them
