the peshitta old testament unlike the peshitta new testament is a translation in this case it is a translation of the original hebrew bible what is especially interesting and valuable about the peshitta old testament is that it is represented in the oldest semitic manuscript of the complete old testament extant in the codex ambrosianus commonly dated to the 6th or 7th century ad the peshitta old testament is commonly believed by scholars to be a 2nd century ad translation i believe that it is older than that based on its readings and also on many of the headings of the psalms in western codex ambrosianus of the 6th century several of which actually date the original text in the 1st century ad i have not included these headings in my translation only the scripture text itself i hope to include these in a future edition as they are fascinating evidence for dating and locating the original work as well as the christian faith of the translators the peshitta old testament and new testament are quoted extensively by the persian bishop aphraates of nineveh who wrote bible commentaries in his native aramaic in ad 337 until his death in ad 367 i have read and compared his quotes to the peshitta old testament and the peshitta nt old syriac gospels other detailed studies of these quotations show that he was using the canon and text of the peshitta bible for both testaments as opposed to any conjectural old syriac bible the vestiges of which are supposed to reside today only in two partial manuscripts of the gospels which differ considerably from each other and are dated to the 5th century one ms is the curetonian another is the sinaitic syriac one great reference online with a detailed study of aphraates also called aphrahah is peshitta org paul younan a native aramaean and aramaic speaker from lebanon and member of the church of the east did a comparison of the syriac readings of aphraates with the peshitta and the old syriac text of the gospels as well as peshitta readings in paul s epistles the author s web site is aramaicnt wordpress com
