an introductory textbook with author profiles teaching ideas and a sampling and explanation of many types and levels of books and illustrations annotation copyrighted by book news inc portland or

all children are capable of mature responsible behavior and can often take on more grown up tasks than adults imagine using the methods described in this book parents can teach their child to be more self sufficient and independent no matter what his current maturity level even a child who is inattentive or disorderly in the classroom or rebellious or disrespectful at home can learn to behave responsibly as the pressures of modern life increase both in and out of the home it is tempting to give in to a child s demands in the hopes of keeping the peace many parents learn the hard way however that their overindulgence doesn t help their child will

only come to them with more and more demands no matter how much attention or how many material things you may give her it is never enough to earn her respect and appreciation if you find yourself deeply entrenched in this pattern of giving too much you can reverse it by using firm consistent guidelines with your child every day in this book you will find creative solutions to many common behavior problems from a child s temper tantrums at age six to a teenager s poor performance in high school before they escalate into much more serious problems using this system of straight forward logical rules you can teach your child to take responsibility for his own actions and earn his privileges and you will find that he is often ready and willing to do so many parents are pleasantly surprised to discover that the tried and true methods detailed here not only help their child behave in a mature manner but also increase her self esteem and give her a much happier outlook on life book jacket title summary field provided by blackwell north america inc all rights reserved
