from Yellowstone to the Great Smoky Mountains America's national parks are sprawling tracts of serenity most of them carved out of public land

for recreation and preservation around the turn of the last century america has changed dramatically since then and so has its conceptions of what parkland ought to be in this book one of our premier environmental historians looks at the new phenomenon of urban parks focusing on san francisco s golden gate national recreation area as a prototype for the twenty first century cobbled together from public and private lands in a politically charged arena the ggnra represents a new direction for parks as it highlights the long standing tension within the national park service between preservation and recreation long a center of conservation the bay area was well positioned for such an innovative concept writing with insight and wit rothman reveals the many complex challenges that local leaders politicians and the nps faced as they attempted to administer sites in this area he tells how representative phillip burton guided a comprehensive bill through congress to establish the park and how he and others expanded the acreage of the ggnra redefined its mission to the public forged an identity for interconnected parks and struggled against formidable odds to obtain the san francisco presidio and convert it into a national park engagingly written the new urban park offers a balanced examination of grassroots politics and its effect on municipal state and federal policy while most national parks dominate the economies of their regions ggnra was from the start tied to the multifaceted needs of its public and political constituents including neighborhood ethnic and labor interests as well as the usual supporters from the conservation movement as a national recreation area ggnra helped redefine that category in the public mind by the dawn of the new century it had already become one of the premier national park areas in terms of visitation now as public lands become increasingly scarce ggnra may well represent the future of national parks in america rothman shows that this model works and his book will be an invaluable resource for planning tomorrow s parks

all routes available to download as gpx files from 100climbs co uk ride britain gpx if you re looking for post lockdown riding inspiration this book delivers it in spades road cc this is a truly beautiful book chris sidwells author of wild cycling and really wild cycling impeccable design and compulsive content phenomenal glorious photography often colourfully spread across two wide format pages each numbered and graded ride is accompanied by a map a profile that usually resembles the teeth of a tyrannosaurus a summary of the key climbs the total distance covered and the total vertical distance achieved on completion thewashingmachinepost in this inspirational book filled with amazing photographs simon has showcased britain s beautiful landscape in the same way that michael blann and others have done for the mountains of continental europe the aim is always to make people want to get out and ride britain s roads to entice people to put themselves in the pictures on every page and ride through the stunning scenery the book is a seamless blend of beautiful photographs and information on the rides

including gradient diagrams and maps this is simon warren taking his well deserved reputation as the king of climbs and displaying it in a bold new format from pocket guide to cinemascope the book contains 40 inspirational rides split across eight chapters covering the whole of mainland britain from dartmoor through wales the peak district and the pennines all the way via the lakes to the highlands of scotland from surrey and kent to lincolnshire and northumberland if there are hills simon has found them and plotted a route to share his knowledge each ride includes a profile of the route a detailed map and breakdown of the key climbs also a description of what to expect along the way all illustrated by inspirational photography the eight chapters cover the south west the south east the midlands yorkshire the north east scotland the north west and wales so no matter where you live there will be something close to your doorstep there is even a route in norfolk
