Holmes of the Transylvania University U.S.A. besides a host of Indian professors and scholars have acknowledged the truth the book comprising eighteen papers present a comprehensive view of Eliot and bring out his multi pronged genius Eliot was an American by birth and education an Anglo Catholic by religion a Britisher by way of naturalized citizenship a deep rooted European by sense of culture a universal poet and an international hero by means of his creative talent and art the book highlights Eliot's literary personality and the different aspects of his creative art these papers undoubtedly broaden the scope of approach to Eliot the book is designed in such a way that it will attract both common and specialist readers
