seminar paper from the year 2006 in the subject english language and literature studies culture and applied geography grade 2 0

university of leipzig course proseminar australian literature language english abstract this term paper illustrates some important elements of traditional aboriginal culture showing what it was like before european settlers arrived

in a world characterized by an encroaching homogeneity induced by the growth of multi national corporations and globalization the causes of difference accrue new levels of importance this is as true of tourism as in many other spheres of life and one cause of differentiation for tourism promotion is the culture of indigenous peoples this offers opportunities for cultural renaissance income generation and enhanced political empowerment but equally there are possible costs of creating commodities out of aspects of life that previously possessed spiritual meaning this book examines these issues from many different perspectives from those of product design and enhancement of the aspirations of various minority groupings and the patterns of displacements that occur displacements that are not simply spatial but also social and cultural how can these changes be managed case studies and analysis is offered derived from many parts of the globe including north america asia and australasia the contributors themselves have in many instances worked closely with groups and organizations of indigenous peoples and attempt to give voice to their concerns the book is divided into various themes each with a separate introduction and commentary the themes are visitor experiences who manages indigenous cultural tourism product events and artifacts conceptualisation and aspiration in a short final section the silences are noted each silence representing a potential challenge for future research to build upon the notions and lessons reported in the book the book is edited by professor chris ryan from new zealand and michelle aicken of horwath asia pacific

papers based on the 1997 fulbright symposium of the same name

ingram philosophy loyola university brings a variety of current social dilemmas together in a mutually illuminating way he examines the concept of legal equality in a multiracial society by considering issues such as self governance for native americans the rights of immigrants affirmative action and racial redistricting tie also tackles the problem of social injustice in a global setting by assessing the negative impact of free trade policies on the rights of groups to self determination and cultural integrity

indigenous culture can be found around the globe from the many aboriginal groups present in australia to the inuit groups of north america and masai tribes of africa throughout this book students will discover the similarities and differences in language traditions and religion that exist between the world s indigenous groups they will also investigate the sustainability of indigenous practices

and the united nations declaration on the rights of indigenous peoples

a collaboration between the university of montana and the montana lewis and clark bicentennial commission this symposium was structured to explore the relationships that developed between the native peoples and euro americans both during the lewis and clark expedition and in the 200 years following the influences of euro american emigration and development of the region as it relates to native american culture are discussed the dvd provides highlights of the presentations grouped by the symposium s themes

indigenous australian culture covers a vast array of subjects on aboriginal culture from fine arts to ceremonies from legends to the culture s global influence
