in a world characterized by an encroaching homogeneity induced by the growth of multi national corporations and globalization the causes of difference accrue new levels of importance this is as true of tourism as in many other spheres of life and one cause of differentiation for tourism promotion is the culture of indigenous peoples this offers opportunities for cultural renaissance income generation and enhanced political empowerment but equally there are possible costs of creating commodities out of aspects of life that previously possessed spiritual meaning this book examines these issues from many different perspectives from those of product design and enhancement of the aspirations of various minority groupings and the patterns of displacements that occur displacements that are not simply spatial but also social and cultural how can these changes be managed case studies and analysis is offered derived from many parts of the globe including north america asia and australasia the contributors themselves have in many instances worked closely with groups and organizations of indigenous peoples and attempt to give voice to their concerns the book is divided into various themes each with a separate introduction and commentary the themes are visitor experiences who manages indigenous cultural tourism product events and artifacts conceptualisation and aspiration in a short final section the silences are noted each silence representing a potential challenge for future research to build upon the notions and lessons reported in the book the book is edited by professor chris ryan from new zealand and michelle aicken of horwath asia pacific

seminar paper from the year 2006 in the subject english language and literature studies culture and applied geography grade 2 0 university of leipzig course proseminar australian literature language english abstract this term paper illustrates some important elements of traditional aboriginal culture showing what it was like before european settlers arrived

papers based on the 1997 fulbright symposium of the same name

ingram philosophy loyola university brings a variety of current social dilemmas together in a mutually illuminating way he examines the concept of legal equality in a multiracial society by considering issues such as self governance for native americans the rights of immigrants affirmative action and racial redistricting tie

also tackles the problem of social injustice in a global setting by assessing the negative impact of free trade policies on the rights of groups to self determination and cultural integrity

indigenous culture can be found around the globe from the many aboriginal groups present in australia to the inuit groups of north america and masai tribes of africa throughout this book students will discover the similarities and differences in language traditions and religion that exist between the world s indigenous groups they will also investigate the sustainability of indigenous practices and the united nations declaration on the rights of indigenous peoples

describes the indigenous australian culture including fine arts legends and the culture s global influence

a collaboration between the university of montana and the montana lewis and clark bicentennial commission this symposium was structured to explore the relationships that developed between the native peoples and euro americans both during the lewis and clark expedition and in the 200 years following the influences of euro american emigration and development of the region as it relates to native american culture are discussed the dvd provides highlights of the presentations grouped by the symposium s themes

publisher description

the aboriginal stockman in cowboy hat brightly coloured shirt jeans and riding boots is a familiar sight in much of outback australia yet white australia has largely excluded aborigines men and women from its national legends born in the cattle tells the story of aboriginal involvement in the northern cattle industry it shows how the aboriginal people excelled at this no shame job how they incorporated it into their world how they used it to stay on their own land with their kin combining new skills with old they shaped a unique aboriginal cattle country and thereby made a major contribution to the economy of australia s north using oral evidence which enables aboriginal perspectives to emerge in a way not previously possible born in the cattle is a major work of social history the first to

describe the texture of everyday life and work in the outback north before world war ii the story begins with the battle for the waterholes describes the skills the aboriginal people brought to work with cattle reveals for the first time the important role of aboriginal women and explores in a new way the complex pattern of relationships between white and black in the outback to protect their country and its people aborigines had to teach station whites many things aborigines worked the stations they managed the land in new ways though following old principles they have made the cattle industry their own they are still the majority of those living on northern pastoral stations and their dynamic culture leaves a distinctive mark on bush life
