this haunting question in all of its variations and interpretations has echoed through the annals of time since the dawn of philosophy the world's intellectual titans have grappled valiantly with this enigma and many of them dedicated entire lifetimes to unearthing answers in religion aesthetics love personal convictions and myriad other realms but to no avail how has this ineluctable conundrum come to signify everything and nothing to term it the holy grail of philosophy is almost to insultingly undersell its gravitas the meaning of life remains maddeningly elusive mocking our most desperate curiosities despite over 2 500 years of introspection debate and countless theories its mysterious prize remains unclaimed however this tome is no mere philosophical expedition for it is a revolution in the making it manifests a rebellion against the two thousand year old foundations of speculation and dares to shatter the orthodoxy by venturing into the forbidden realm of a science philosophers long denied as relevant and converging the scientific method with peerless reasoning the sort that would stupefy the most weathered thinkers this most eminent opus heralds philosophy's renaissance no longer as a quaint forgotten relic of bygone eras but as a vanguard discipline poised for reawakening

everyone needs a reason to get up in the morning they need a driving force or motive within themselves to spur and encourage them every day ultimately people are looking for some form of gain adventure fulfilment enjoyment or challenge and this may be expressed as a search for the answer to a worthwhile life and this book points the way to it 63 it includes how to get the best out of life or make a new start and shows the steps to be taken using a personal not formal approach

however many others make the above claims but the pathway given here is progressive offers positive hope and security and is based on the christian faith 54 117 the second part of the book provides backing for the earlier claims and goes much further by taking a detailed look at the christian faith using biblical scriptures notes and quotations to explain the main elements of the faith it assumes no prior knowledge and avoids jargon 47 164

this volume contains translations of four of augustine s earliest works de beata vita contra academicos de ordine and soliloquia his embrace of platonic certitude regarding the primacy of the unseen world of perfection and eternal truth is at the forefront of these philosophical works which were composed in the genre of the dialogue writing at cassiciacum in the year 386 the young augustine grapples with questions of epistemology theodicy morality and the soul s quest for god
