the palestinian author an anthropologist based this book upon her field work under palestinian women in galilee israel in which the palestinian israeli conflict is vividly alive the content of this book corresponds roughly to five interrelated fields of meaning and power in which reproduction is caught up and constructed nation economy difference body and gender

this work provides a case study of the deleterious effects of patriarchy among palestinians living in rural villages and refugee camps of the west bank its negative consequences for men as well as women for democratization and for progress toward the creation of a more just society

abdullah amal kharisha barghouthi rita giacaman may mistakmel nassar amal wahdan sahar khalifeh translation by nagla el bassiouni intifada year four notes on the women s movement rita giacaman and penny johnson palestinian women s activism after oslo amal kawar the declaration of principles on palestinian women s rights an analysis suha sabbagh

palestinian women living in israel are discriminated against in many aspects of their daily lives in this book shadi bayadsy examines how this situation motivated palestinian women to organize and advocate for emancipation and equality through the professional palestinian women organizations established in israel the author demonstrates the different strategies each organization employs to navigate challenging restrictions and to avoid being shut down by state apparatuses or by societal institutions and localities this book will be of interest to scholars of women and gender studies as well as middle eastern studies

women make up almost half of the palestinian population 2 30 million or 49 2 of the total estimated 4 68 million palestinians living in the occupied territories as of mid 2015 1 their status in society has altered considerably during the past decades due to socioeconomic changes increased female education and participation in social and political movements as well as the national struggle to liberate palestine women in palestine are a symbol of resilience resistance and steadfastness but also of suffering and this two fold first from the ongoing decades old israeli military occupation where they bear most of the collective burdens that emanate from it death and injury forced displacement from homes denial of basic human rights arrests and detentions and discrimination in almost every aspect of daily life and secondly from within palestinian society where they still lack full rights and protection and are subjected to obstacles such as patriarchy traditional social norms and a gender based distribution of roles while palestinian women have made remarkable achievements sometimes even spearheading change in their communities and their participation in society has significantly increased in the past years their representation and role in decision

making remains low and the need for women's empowerment high this bulletin aims at providing a detailed overview over the status statistics and situation of women in present day palestine page 1

suheir abu oksa daoud examines the various factors that have created this culture of political oppression she relies on both feminist theory and theories of colonial domination as well as conclusions drawn from personal interviews with female activists utilizing arabic english and hebrew sources she also makes careful distinctions between the lives and experiences of christian muslim bedouin and druze women

living under settler colonialism and patriarchal oppressions palestinian women in israel are expected to operate even the most intimate aspects of their lives according to what some call the plan which dictates everything from clothing marriage religion and sex to how children are born and raised in defying the plan kim jezabel zinngrebe draws from a series of moving interviews to reveal that despite various forms of intertwined oppressions by both the israeli state and palestinian society palestinian women show defiance by the quotidian choices they make in their own intimate lives under occupation which zinngrebe argues cannot be perceived as a mere corollary but constitute a pivotal and contested terrain of the struggle between settler and colonized defying the plan explores such issues as the segregation of sexual education in palestine the politics of dress menstruation and tattoos and the roles of class feminism and race importantly she highlights the intersectional experiences of women typically excluded from existing accounts such as black palestinian women women with disabilities unmarried and divorced women bedouin women and lgbtqi women the stories gathered in defying the plan trace and unpack settler colonial power at the level of the intimate and native women's various practices of defiance

the intifada has profoundly affected the lives of palestinian women the writings in this lively collection examine the changes it has brought to women and girls of all ages and backgrounds in the west bank and gaza the stories reveal how women are responding to the growing conflict between the demands of tradition and honour on the one hand and the economic and political realities of life under occupation on the other terry atwan's story is of just such a fight against the barriers of tradition and oppression by the occupiers yusra berberi born in 1923 in gaza gives a personal account of women's political participation over the many years of conflict rita giacaman writes of the effects on women's health of discrimination against girls while amni rimawi describes her role as vice president of a trade union a short story by hannan ashrawi of bir zeit university and a leading figure in the peace process follows 18 year old iman jardallah's moving account of life under siege and rana salibi's testimony of women's roles in the popular committees ebba augustin's introductions weave the writings together into a vivid picture of contemporary palestinian life what emerges throughout the book is the intensity of the pressure on palestinian society for many people a way of coping with this has been to advocate a return to tradition what najah manasra calls going back to the roots the victims of this trend are palestinian women and what is in danger now is not just the future position of women but the very ability without women's active involvement to sustain the intifada itself

most media coverage and research on the experience of palestinians focuses on those living in the west bank or the gaza strip while the sizable minority of palestinians living within israel rarely garners significant academic or media attention offering a rich and multidimensional portrait of the lived realities of palestinians within the state of israel palestinians in israel revisited gathers a group of palestinian women scholars who present unflinching critiques of the complexities and challenges inherent in the lives of this understudied but important minority within israel the essays here engage topics ranging from internal refugees and historical memory to women's sexuality and the resistant possibilities of hip hop culture among young palestinians unique in the collection is sustained attention to gender concerns which have tended to be subordinated to questions of nationalism statehood and citizenship the first collection of its kind in english palestinians in israel revisited presents on the ground examples of the changing political social and economic conditions of palestinians in israel and examines how global national and local concerns intersect and shape their daily lives

fourteen women of diverse background offer an intimate look at life in the occupied territories and arab society having begun her interviews in 1984 before the intifada najjar returned five years later to update the lives of the women and to gain additional perspective annotation copyrighted by book news inc portland or

palestinian women is the first book to examine and document the experiences and the historical narrative of ordinary palestinian women who witnessed the events of 1948 and became involuntary citizens of the state of israel told in their own words the women's experiences serve as a window for examining the complex intersections of gender nationalism and citizenship in a situation of ongoing violent political conflict known in palestinian discourse as the nakbeh or the catastrophe these events of 60 years ago still have a powerful resonance in contemporary palestinian jewish relations in the state of israel and in the act of narrating these stories the author argues that the realm of memory is a site of commemoration and resistance

though they are almost completely absent from the historical record palestinian women were extensively involved in the unfolding national struggle in their country during the british mandate period led primarily by urban educated women from the middle and upper classes of arab society palestinian women struggled against british colonialism and against jewish settlement by holding a national congress meeting with government officials smuggling arms demonstrating and participating in regional and international conferences this book is the first comprehensive historical study of the emergence and development of the palestinian women's movement in this important historical period drawing from little studied source material

including oral histories newspapers memoirs and government documents ellen fleischmann not only shows what these women accomplished within the political arena but also explores the social cultural and economic contexts within which they operated charting the emergence of an indigenous feminism in palestine this work joins efforts to broaden european and american definitions of feminism by incorporating non western perspectives

the position of women in the middle east and their role in the various processes for social and political change are of crucial importance for an understanding of the societies of which they are part and in considering general issues of women s struggles the articles in this book are mainly concerned with various aspects of women s political roles in the middle east of special importance is the issue of the relation between specifically women s struggles and general political struggles and too of the relationship between israeli and jewish palestinian women also included are articles that examine the social and cultural contexts in which women in the middle east exist both in the arab world and in israel back cover
