graduate schools have faced attrition rates of approximately 50 percent for the past 40 years they have tried to address the problem by focusing on student characteristics and by assuming that if they could make better more informed admissions decisions attrition rates would drop yet high attrition rates persist and may in fact be increasing leaving the ivory tower thus turns the issue around and asks what is wrong with the structure and process of graduate education based on hard evidence drawn from a survey of 816 completers and noncompleters and on interviews with noncompleters high and low ph d productive faculty and directors of graduate study this book locates the root cause of attrition in the social structure and cultural organization of graduate education

in 1914 henry james began work on a major novel about the immense new fortunes of america s gilded age after an

absence of more than twenty years james had returned for a visit to his native country what he found there filled him with profound dismay in the ivory tower his last book the characteristic pattern underlying so much of his fiction in which american innocence is transformed by its encounter with european experience receives a new twist raised abroad the hero comes home to america to confront as james puts it the black and merciless things that are behind the great possessions james died in 1916 with the first three books of the ivory tower completed he also left behind a treatment in which he charted the further progress of his story this fascinating scenario one of only two to survive among james s papers is also published here together with a striking critical essay by ezra pound book jacket

the ivory tower by henry james

the university was once imagined as an ivory tower a sanctuary where truth could be pursued protected from the noise of politics and commerce today that tower is crumbling revealed as a façade sustained by debt prestige and distraction students carry lifelong burdens for diplomas that often signify status more than substance institutions chase branding and spectacle while neglecting wisdom and all the while society waits for adam smith s invisible hand to sort it out but what if the invisible hand cannot heal education s fractures in this groundbreaking work dr justin goldston transforms a passing remark that life is too short to spend a nanosecond on the higher education mess into a profound philosophical

investigation of knowledge attention and meaning in the 21st century across 20 chapters the ivory tower explores how higher education became a marketplace of scarcity debt and credential fetishism why prestige not knowledge drives value and how the invisible hand falters here the ethics of attention and the true cost of wasted nanoseconds the disruptive rise of bootcamps micro credentials apprenticeships and ai tutors the philosopher s burden when to resist when to ignore and when to build alternatives part critique part meditation part call to action the ivory tower is not only about universities it is about how we choose to spend the most precious resource we have our time what is worthy of your attention what is worth even a nanosecond of your life

now available in paper the ivory tower and harry potter is the first book length analysis of j k rowling s work from a broad range of perspectives within literature folklore psychology sociology and popular culture a significant portion of the book explores the harry potter series literary ancestors including magic and fantasy works by ursula k leguin monica furlong jill murphy and others as well as previous works about the british boarding school experience other chapters explore the moral and ethical dimensions of harry s world including objections to the series raised within some religious circles in her new epilogue lana a whited brings this volume up to date by covering rowling s latest book harry potter and the order of the phoenix

at a time when faculty roles are under great scrutiny and faculty work itself has an uncertain future this book offers a new approach to examining academic professionalism this collection of essays applies a philanthropic lens to contemporary debates and considers academic work completed out of a moral responsibility to the public good it provides a counterpoint to narrow conceptions of appropriate faculty work as limited to the production of credit hours and research dollars and offers evidence that faculty can have a wider role both within and beyond the ivory tower by examining faculty members many contributions not only to students but to society at large faculty work and the public good provides an alternate perspective on america s colleges and universities that will help preserve and expand professorial contributions to the public good although not all faculty are philanthropically inclined highlighting those who are will help preserve valuable aspects of faculty work and encourage more such contributions to society this volume is an essential read for higher education policymakers trustees and administrators students and scholars of higher education and philanthropy and individual faculty concerned about their profession contributors ann e austin j herman blake dwight f burlingame denise mott dezolt sean gehrke audrey j jaeger adrianna kezar jia g liang elizabeth lynn michael moody emily l moore thomas f nelson laird jason f perkins william m plater gary rhoades r eugene rice john saltmarsh lorilee r sandmann paul shaker marty sulek william g tierney richard c turner the contributors to this volume provide unique insights into this under appreciated but significant dimension of academic work and culture jack h schuster professor emeritus education and public policy senior research fellow claremont graduate university provides a powerful rationale for broadening the definition of what are the valued contributions faculty members can make to their institutions

disciplines and the public at large judith m gappa professor emerita purdue university

the ivory tower is an unfinished novel by henry james posthumously published in 1917 the novel is a brooding story of gilded age america it centers on the riches earned by a pair of dying millionaires and ex partners abel gaw and frank betterman and their possibly corrupting effect on the people around them even in its fragmentary state the ivory tower has received high sometimes extravagant praise much of the praise though appears politically motivated critics happy with james attack on excessive wealth and laissez faire capitalism have been willing to overlook the very slow pace of the novel and the extreme density of its prose

this international handbook addresses classic mental health issues as well as controversial subjects regarding inequalities and stereotypes in access to services and misdiagnoses it addresses the everyday racism faced by black people within mental health practice
