with expanding u s business operations around the globe the potential for significant exposure to international corruption increases along with the increased risks associated with anti bribery laws companies who employ citizens of the united kingdom maintain an office in the united kingdom or are service providers to any united kingdom organizations are subject to the u k bribery act and may be held liable for unlimited fines and jail terms which increase to ten years regardless of their countries of origin multinational companies will inevitably be impacted by the u k and u s anti bribery statutes the sec and the u k s sfo serious frauds office and fsa financial services authority are increasing their coordination to work together in the areas of common regulatory interest including cross border enforcement cases any attempt to assess corporate risk for a u k bribery act violation requires an understanding of how the statute operates and is enforced the u k bribery act replaces a patchwork of statutory and common law offenses dating back to 1889 and is designed to

modernize and simplify the current anti bribery restrictions in the united kingdom at its core the u k bribery act creates four distinct categories of offenses 1 bribing another person 2 taking bribes 3 bribing foreign public officials and 4 the failure of a commercial organization to prevent bribery we begin with a brief discussion of the international bribery problem next because the u k bribery act is relatively new we provide an explanation and analysis of the act along with a description of the sfo s revised policies published on october 9 2012 an analysis of many of the key differences between the foreign corrupt practices act fcpa and u k bribery act is then presented now that more than two years has past since implementation an assessment of this law s impact is presented as the world continues to grow smaller and commerce increases corporate officers and directors must necessarily become familiar with the provisions of the u k bribery act

the bribery act is among the most controversial pieces of legislation of recent years it creates a comprehensive scheme of bribery offences that will revolutionise courts and prosecutors responses to bribery at home or abroad it will also force big changes to how businesses deal with bribery the new edition of the bribery act 2010 a practical guide will provide the most detailed and up to date analysis of this important legislation it deals with the law in context covering the general bribery offences bribery of foreign public officials and the specific bribery offence applicable to businesses alone

the bribery act 2010 is the most significant reform of uk bribery law in a century this critical analysis offers an explanation of the act makes comparisons with similar legislation in other jurisdictions and provides a critical commentary from both a uk and a us perspective on the collapse of the distinction between public and private sector bribery drawing on their academic and practical experience the contributors also analyse the prospects for enforcement and the difficulties facing lawyers seeking asset recovery following the laundering of the proceeds of bribery international perspectives are provided via comparisons with the law in spain hong kong the usa and italy together with broader analysis of the application of the law in relation to eu anti corruption initiatives international development and the arms trade

outlining the different types of financial crime and its impact this book is a user friendly up to date guide to the regulatory processes systems and legislation which exist in the uk each chapter has a similar structure and covers individual financial crimes such as money laundering terrorist financing fraud insider dealing market abuse and bribery and corruption offences are summarized and their extent is evaluated using national and international documents detailed assessments of financial institutions and regulatory bodies are made and the achievements of these institutions are analysed sentencing and policy options for different financial crimes are included and suggestions are made as to how criminal proceeds might be recovered drawing the different themes of the book together the final chapter makes recommendations for the future and will provoke further thought and discussion on this topical subject each chapter also has a section on recommending reading it will be a valuable resource for students studying vocational courses and will be a key text for undergraduate and post graduate students in law schools departments of criminal justice and business schools

the bribery act 2010 is the most significant reform of uk bribery law in a century this critical analysis offers an explanation of the act makes comparisons with similar legislation in other jurisdictions and provides a critical commentary from both a uk and a us perspective on the collapse of the distinction between public and private sector bribery drawing on their academic and practical experience the contributors also analyse the prospects for enforcement and the difficulties facing lawyers seeking asset recovery following the laundering of the proceeds of bribery international perspectives are provided via comparisons with the law in spain hong kong the usa and italy together with broader analysis of the application of the law in relation to eu anti corruption initiatives international development and the arms trade

a practical guide to addressing the challenges managers face in implementing and enforcing new anti bribery regulations the bribery act became the law of the land in july 2011 it abolished all existing u k anti bribery laws and replaced them with a suite of new regulations decidedly different and more strenuous than what has come before under it companies found noncompliant will be open to billions in penalties and remediation costs and managers will be open to prosecution if anyone associated with their company commits an offence covered by the act as employees in nearly all departments will share responsibility for ensuring that adequate procedures are in place and enforced there is a screaming need for practical jargon free guidance on the subject this book fills that need it arms managers and advisors with the knowledge and tools they need to implement communicate and test controls and procedures that not only comply with but exceed the new anti bribery requirements it also offers priceless pointers on how to effectively react to bribery allegations if and when they occur packed with takeaway tips and checklists that put crucial information at readers fingertips written by a chartered accountant and compliance expert the book offers practical steps managers should take to guarantee company compliance describes best practices in anti bribery and corruption compliance in all key business areas including accounting sales and marketing management legal and internal auditing

deming provides a comprehensive analysis of the foreign bribery laws and related laws and regulations in all of the major common law jurisdictions for each jurisdiction careful attention is given to laws that may expose an individual or entity to private or commercial bribery in foreign settings as well as to the application of laws relating to money laundering and accounting and record keeping practices to situations involving foreign bribery throughout special attention is given to explaining the criteria used in each jurisdiction to establish liability on the part of an entity or organisation

eoin o shea explains the new uk bribery act 2010 in detail and provides practical guidance on critical issues for businesses

economic crime is a significant feature of the uk s economic landscape and yet despite the government s bold mission statements to hold those suspected of financial wrongdoing to account as part of their day of reckoning and serious about white collar crime agenda there is a sense that this is still not being done effectively this book examines the history of the creation of the uk s anti economic crime institutions and accompanying legislation providing a critique of their effectiveness the book analyses whether the recent regulatory regime is fit

for purpose as well as being appropriate for the future in order to explore how the UK's economic crime strategies could be improved the book takes a comparative approach analysing policy and legislative responses to economic crime in the United States and Australia in order to determine whether the UK could or should import similar structures or laws to improve the enforcement of UK economic crime

The current statutory criminal law of bribery is functional and cases are prosecuted successfully but it is old and anachronistic has never been consolidated and there are inconsistencies of language and concepts between the various provisions and a small number of potentially significant gaps in the law the result is a bribery law which is difficult to understand for the public and difficult to apply for prosecutors and the courts this draft legislation follows the Law Commission's consultation paper no 185 ISBN 9780118404457 and final report reforming bribery law COM 313 ISBN 9780102958164 the purpose of the draft bill is to reform the criminal law of bribery to provide for a new consolidated scheme of bribery offences to cover bribery both in this country and abroad the bill replaces the offences at common law and under the Prevention of Corruption Acts 1889 to 1916 with two general offences covering the offer promise and giving of an advantage or the request agreeing to receive or acceptance of an advantage the bill also creates a discrete offence of bribery of a foreign public official and a new offence of negligent failure of commercial organisations to prevent bribery the other main provisions of the bill include extra territorial jurisdiction to prosecute bribery committed abroad by persons ordinarily resident in the UK as well as UK nationals and UK corporate bodies replacing the existing requirement for the Attorney General's consent to prosecute a bribery offence a maximum penalty of 10 years imprisonment for all new offences save the corporate offence which will carry an unlimited fine

Anti Corruption Regulation edited by Homer E Moyer Jr of Miller Chevalier Chartered captures the growing anti corruption jurisprudence that is developing around the globe and comprises expert summaries of 29 countries anticorruption laws and enforcement policies plus contributions from Transparency International and the OECD topics covered include foreign and domestic bribery financial record keeping liability and sanctions in an easy to use question and answer format trusted and reliable information on key topics of law and regulation in this area is provided by leading practitioners around the world as well as in depth comparative study of the topic from the perspective of leading experts there are also editorial chapters covering anti corruption developments affecting Latin America's mining industry combating corruption in the banking industry the Indian experience calculating penalties risk and compliance management systems corporates and UK compliance the way ahead current progress in anti corruption enforcement and finally a global overview quote the comprehensive range of guides produced by GTDT provides practitioners with an extremely useful resource when seeking an overview of key areas of law and policy in practice areas or jurisdictions which they may otherwise be unfamiliar with quote Gareth Webster Centrica Energy e p

containing original articles on timely topics full reports of important cases and a quarterly digest of all recent criminal cases American and English

this handy guide specifically written for laypersons and in particular for business people as well as lawyers with limited experience provides explanations as to how each law is applied and guidance as to what companies and other organizations should be doing to comply with both the fcpa and the uk bribery act
