loosely based on the author's life chronicles Craig's journey from childhood to adulthood exploring the people, experiences and beliefs that he encountered along the way

quaint, meditative and sometimes dreamy, *Blankets* will take you straight back to your first kiss. *The Guardian* says *Blankets* is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a midwestern winterscape. Finely hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood and a lonely, emotionally mixed-up adolescence under an engulfing blanket of snow. Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape over time, though their personal demons resurface and their relationship falls apart. It's a universal story and Thompson's vibrant brushstrokes and unique page designs make the familiar heartbreaking all over again. This groundbreaking graphic novel winner of two Eisner and three Harvey awards is an eloquent portrait of adolescent yearning, first love and first heartache, faith in crisis and the process of moving beyond all of that. Beautifully rendered in pen and ink, Thompson has created a love story that lasts.

blankets is the story of a young man coming of age and finding the confidence to express his creative voice craig thompson s poignant graphic memoir plays out against the backdrop of a midwestern winterscape finely hewn linework draws together a portrait of small town life a rigorously fundamentalist christian childhood and a lonely emotionally mixed up adolescence under an engulfing blanket of snow craig and raina fall in love at winter church camp revealing to one another their struggles with faith and their dreams of escape over time though their personal demons resurface and their relationship falls apart it s a universal story and thompson s vibrant brushstrokes and unique page designs make the familiar heartbreaking all over again this groundbreaking graphic novel winner of two eisner and three harvey awards is an eloquent portrait of adolescent yearning first love and first heartache faith in crisis and the process of moving beyond all of that beautifully rendered in pen and ink thompson has created a love story that lasts

from the internationally acclaimed author of blankets a triumph for the genre library journal a highly anticipated new graphic novel sprawling across an epic landscape of deserts harems and modern industrial clutter habibi tells the tale of dodola and zam refugee child slaves bound to each other by chance by circumstance and by the love that grows between them we follow them as their lives unfold together and apart as they struggle to make a place for themselves in a world not unlike our own fueled by fear lust and greed and as they discover the extraordinary depth and frailty of their connection at once contemporary and timeless habibi gives us a love story of astounding resonance a parable about our relationship to the natural world the cultural divide between the first and third worlds the common heritage of christianity and islam and most potently the magic of storytelling from the hardcover edition

a visual diary and travel sketchbook chronicles two months of the artist s wanderings through africa and europe

reality television remains a pervasive form of television programming within our culture the new mantra is go big or go home be weird or be invisible here comes honey boo boo and duck dynasty for example are arguably two of the most compelling reality television programs currently airing because of their uniqueness and ability to transcend traditional boundaries in this genre reality television oddities of culture seeks to explore not the mundane reality programs but rather those programs that illustrate the odd unique or peculiar aspects of our society this anthology will explore such programs across the categories of culture gender and celebrity
