jacque s mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families but something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital it wasn t fane he would be with her on the other side she knew that if she died he died too and he wouldn t have it any other way she could feel peri s presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque s survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone simply vanished costin didn t know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely costin would be strong for the boy for as long as he could but he wasn t sure how long he could keep the feral would at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she d served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he d found her and that kind of darkness doesn t let go without a fight the strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who had no idea who or what she was didn t stand a chance

long ago during the great purge the witches that had grown too many in number and too powerful were destroyed the high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified so they killed all of the witches and their creator or so they thought but they were wrong volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the dark forest now he s back and hell bent on rebuilding his army of witches only this time he s set his eyes on the gypsy healers to be the tool from which he creates them he already has two of the newly found healers jewel and anna with his blood running in their veins and though he thinks he s got it all planned out what volcan hadn t calculated into his formula of healers his blood witches was the healer s mates dalton and gustavo both males are more than ready to sink their teeth into the high fae who has taken their females with the darkness closing in on all four of them it is a toss up as to who will succumb to it

first mean while the healers and wolves peri had stashed in the pixie realm are sitting ducks with the veil between them and the human realm locked the mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm perizada is once again fighting for those who are under her protection while at the same time trying not to kill them herself considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period it's not certain who will destroy who the only thing that was certain none of them was willing to surrender throw in a powerful eccentric djinn who has suddenly gotten bored and things are guaranteed to get messy this is the continuation of the story of the five gypsy healers the fae who protects them and the wolves whose wrath will consume any who come between them

begin the award winning grey wolves series with the first three books prince of wolves blood rites and just one drop the grey wolves series follows the adventures of three high school seniors jacque jen and sally as the girls are introduced to the hidden world of the romanian grey wolves the grey wolves universe is populated with dominant alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates it just so happens these three ladies are destined to become true mates to some of the most powerful males in the canis lupus world but destiny won't be fulfilled without a fight female canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females the ensuing chaos will undermine the strength of the packs just when a new threat to the canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates

a talented songwriter shawn gallagher spends his days lost in reverie and wonder oblivious to the wiles of women and the ways of the world he claims that he's content with his life but his music tells a different story one of loneliness and desperate longing no one understands why shawn doesn't put his musical gift to profitable use least of all brenna o' toole a fiercely independent tomboy who has been secretly in love with him for years but it is only when shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician as the song in his head keeps time with the beating of a woman's heart

we've watched the romanian grey wolves find their true mates fight against evil and reunite with the other canis lupis in the world now we will see just how the most powerful alpha in their history met his match with the woman who became his mate and helped him become the man he needed to be in order to lead every life leaves behind a legacy every story has a beginning and an end the alpha of the romania grey wolves knows this better than most he also knows it's the things that transpire to create that legacy and the experiences triumphs and failures that happen in the middle of the story that matter his story began a century ago and now a tragedy has led him to his rightful place as alpha of the eastern romania pack before he led hundreds he had to learn to lead a few before he sacrificed for all he had to be willing to sacrifice for any before

he could be the man destined to save his race he had to be willing to serve them in order to be raised up he had to first be torn down there was only one who could do this and live only one who could light his way when the darkness closed in his mate his luna this is the building of their legacy the middle of their story their triumphs their failures and their tragedy s that would one day make them strong enough to restore a race torn apart by greed envy and fear

so i just might die a virgin after all that s what sucks about the end of the world you just don t plan for it and once it s upon you it s too late it s been a few weeks since i ve had time to actually write anything down which sucks because more has happened in my life in the past three weeks than it has in all my seventeen soon to be eighteen years so i m going to give you a quick recap because my diary is totally a living breathing thing and really cares not basically we are on the run from lorsan the dark elf king while also looking for the book of the elves which he stole butt head while at the same time attempting to shut down the sale of rapture a liquid drug the dark elves devised to enslave the human race if you ask me their goals are a little lofty but then nobody asked me and therein lies their problem but our problems don t end there on top of trying to get rapture out of the human realm and taking out lorsan we also have to rescue cassie s parents apparently there s a dark elf who is delusional and believes cassie is his chosen reincarnated so naturally he thought kidnapping her parents would win her heart loser what happen to love notes and flowers anyways now you re caught up roughly the point is life is about as jacked up as it can get at the moment i would like to be able to give some braveheart worthy speech and say that we totally got this but honestly i have no idea if we can pull this off elora

the last few days have been the darkest of sally s life after experiencing the joy of finding her mate she now suffers the pain of losing everything she holds dear both the romanian and serbian packs have been captured ripping sally s soul mate away from her almost as soon as she had found him her best friend and the emotional glue that usually holds sally together jacque pierce lies writhing in a restless coma having been put down by desdemona s dark magic jennifer adams the unshakable one has revealed to her friends and her mate that she is pregnant but the fates have marked her unborn baby for death though she rails against the darkness deep inside jen knows that decebel s baby must die as payment for her own life and the knowledge is tearing her soul to pieces

of werewolf blood in her she is now required to attend a multi pack gathering for un mated wolves this type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates meanwhile decebel struggles with the emotions he is feeling towards jen he tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of go figure

as one evil falls another rises in its place the powerful witch desdemona has finally been killed by an alliance of wolf elf and fae but reyaz brother to cypher the warlock king has vowed retribution for a life that was taken from him now cypher must decide not only how to protect his newfound mate and his people but also how to destroy the only family he has left meanwhile jen's pregnancy progresses and the fateful due date draws ever nearer the thought of losing decebel's child constantly threatens to overwhelm her with each passing day decebel grows more distant causing jen to wonder what toll the impending loss of their child is taking on him unbeknownst to jen in an act of desperation to protect his unborn child and mate decebel strikes a deadly bargain with the great luna his life in place of his child's there is only one way for that to happen the bond between he and jen must be broken as jen as decebel struggle through their darkness another kind of darkness is infiltrating fane's heart doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of desdemona's curse he knows what happened wasn't real but still he can't rid himself of the terrible images seared into his memory jacque is his light the one who keeps the darkness at bay yet he won't let her inside to do just that sally continues to learn what it means to be a gypsy healer and costin struggles to protect her as she runs full speed ahead to help her wolves heedless of her own safety she sees her best friends struggling each enduring their own trials she's desperate to help them but can she keep them safe with all of these things hanging heavy over the heads of the serbia and romania packs their attention is divided the wolves do not even realize a threat has slowly infiltrated their midst will they recognize the threat in time to save the lives that precariously hang in the balance against this backdrop of darkness choices will be made fears will be confronted and the ultimate sacrifice will be made will the wolves stand together to defeat the threats arrayed against them both from within and without will love conquer all or will the beleaguered wolves finally succumb to their demons

cassie's life changes when she is thrown into the world of the light and dark elves
