jacque pierce was an ordinary 17 year old girl getting ready to start her senior year in high school in coldspring tx when a mysterious foreign exchange student from romania moves in across the street jacque and her two best friends sally and jen don't realize the last two weeks of their summer are going to get a lot more interesting from the moment jacque sets eyes on fane she feels an instant connection a pull like a moth to a flame little does she know that the flame she is drawn too is actually a canis lupus werewolf and she just happens to be his mate the other half of his soul the problem is fane is not the only wolf in coldspring just as fane and jacque are getting to know each other another wolf steps out to try and claim jacque as his mate fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed alpha will the love fane has for jacque be enough to give him the

strength to defeat his enemy and will jacque accept she is fane s mate and complete the bond between them

the events chronicled herein occur after the destruction of reyaz the warlock which was recounted in sacrifice of love a few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in den of sorrows forces the elves fae and werewolves to go to battle once again duty sacrifice service and discipline these were the characteristics that described cyn the warrior fae though love was out of her reach she thought this life was all she needed she had never been more wrong a chance meeting with the prince of the elves turns her carefully structured world upside down thalion is loyal to his people above all else as the prince of the elves it is his duty to protect them his loyalty has never been in question but then he s never met anyone like cyn before the destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together

jacque s mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families but something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital it wasn t fane he would be with her on the other side she knew that if she died he died too and he wouldn t have it any other way she could feel peri s presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque s survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone simply vanished costin didn t know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely costin would be strong for the boy for as long as he could but he wasn t sure how long he could keep the feral wolf at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she d served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he

d found her and that kind of darkness doesn't let go without a fight the strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who had no idea who or what she was didn't stand a chance

we've watched the romanian grey wolves find their true mates fight against evil and reunite with the other canis lupus in the world now we will see just how the most powerful alpha in their history met his match with the woman who became his mate and helped him become the man he needed to be in order to lead every life leaves behind a legacy every story has a beginning and an end the alpha of the romania grey wolves knows this better than most he also knows it's the things that transpire to create that legacy and the experiences triumphs and failures that happen in the middle of the story that matter his story began a century ago and now a tragedy has led him to his rightful place as alpha of the eastern romania pack before he led hundreds he had to learn to lead a few before he sacrificed for all he had to be willing to sacrifice for any before he could be the man destined to save his race he had to be willing to serve them in order to be raised up he had to first be torn down there was only one who could do this and live only one who could light his way when the darkness closed in his mate his luna this is the building of their legacy the middle of their story their triumphs their failures and their tragedy's that would one day make them strong enough to restore a race torn apart by greed envy and fear

so i just might die a virgin after all that's what sucks about the end of the world you just don't plan for it and once it's upon you it's too late it's been a few weeks since i've had time to actually write anything down which sucks because more has happened in my life in the past three weeks than it has in all my seventeen soon to be eighteen years so i'm going to give you a quick recap because my diary is totally a living breathing thing and really cares not basically we are on the run from lorsan the dark elf king while also looking for the book of the elves which he stole butt head while at

the same time attempting to shut down the sale of rapture a liquid drug the dark elves devised to enslave the human race if you ask me their goals are a little lofty but then nobody asked me and therein lies their problem but our problems don't end there on top of trying to get rapture out of the human realm and taking out lorsan we also have to rescue cassie's parents apparently there's a dark elf who is delusional and believes cassie is his chosen reincarnated so naturally he thought kidnapping her parents would win her heart loser what happens to love notes and flowers anyways now you're caught up roughly the point is life is about as jacked up as it can get at the moment i would like to be able to give some braveheart worthy speech and say that we totally got this but honestly i have no idea if we can pull this off elora

the last few days have been the darkest of sally's life after experiencing the joy of finding her mate she now suffers the pain of losing everything she holds dear both the romanian and serbian packs have been captured ripping sally's soul mate away from her almost as soon as she had found him her best friend and the emotional glue that usually holds sally together jacque pierce lies writhing in a restless coma having been put down by desdemona's dark magic jennifer adams the unshakable one has revealed to her friends and her mate that she is pregnant but the fates have marked her unborn baby for death though she rails against the darkness deep inside jen knows that decebel's baby must die as payment for her own life and the knowledge is tearing her soul to pieces

as one evil falls another rises in its place the powerful witch desdemona has finally been killed by an alliance of wolf elf and fae but reyaz brother to cypher the warlock king has vowed retribution for a life that was taken from him now cypher must decide not only how to protect his newfound mate and his people but also how to destroy the only family he has left meanwhile jen s pregnancy progresses and the fateful due date draws ever nearer the thought of losing decebel s child constantly threatens to overwhelm her with each passing day decebel grows more distant causing jen to wonder what toll the impending loss of their child is taking on him unbeknownst to jen in an act of desperation to protect his unborn child and mate decebel strikes a deadly bargain with the great luna his life in place of his child s there is only one way for that to happen the bond between he and jen must be broken as jen as decebel struggle through their darkness another kind of darkness is infiltrating fane s heart doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of desdemona s curse he knows what happened wasn t real but still he can t rid himself of the terrible images seared into his memory jacque is his light the one who keeps the darkness at bay yet he won t let her inside to do just that sally continues to learn what it means to be a gypsy healer and costin struggles to protect her as she runs full speed ahead to help her wolves heedless of her own safety she sees her best friends struggling each enduring their own trials she s desperate to help them but can she keep them safe with all of these things hanging heavy over the heads of the serbia and romania packs their attention is divided the wolves do not even realize a threat has slowly infiltrated their midst will they recognize the threat in time to save the lives that precariously hang in the balance against this backdrop of darkness choices will be made fears will confronted and the ultimate sacrifice will be made will the wolves stand together to defeat the threats arrayed against them both from within and without will love conquer all or will the beleaguered wolves finally succumb to their demons

cassie s life changes when she is thrown into the world of the light and dark elves

triktapic the deadly dark elf assassin has been restored by the forest lords to his rightful place as king of the elven realm now he must face his former comrades as he attempts to stop lorsan king of the dark elves from enslaving the human race lorsan has already begun distributing rapture the irresistible drink that destroys those who unknowingly become addicted to it will cassie his chosen be able to give trik the strength he needs to face his dark past meanwhile cassie s best friend elora is in a fight for her own life elora her mother lisa and a small band of light elves have traveled deep into the dark elf realm in hopes of rescuing cassie and trik but their mission quickly turns into a battle for their own

lives as they are surrounded by lorsan and his warriors though outnumbered ten to one the humans and elves fight heroically they fight for a king once lost but now found they fight for the human realm that doesn't yet know it is in need of saving they fight for love a love that has already been discovered and a love that is waiting to be revealed despite their valiant efforts the band is captured and held captive by the dark elf king the peaceful world that cassie and elora knew is long gone shattered by their realization that elves walk secretly among them and are bent on their destruction soon each of the girls will be forced to choose her own path cassie must decide to which world she belongs and elora must decide if she will fight for a warrior hell bent on keeping her from his side two species human and elf stand on the precipice of war united in one goal shatter the dark elf king's plan and unite a divided race under the rule of the one true king

to become a witch or not to become a witch that is the question at least that's the question kara heather and stella three of the gypsy healers are facing the high fae ambassador perizada the healers and a host of wolves are in a race against time to create the witch army that volcan desires but they must also keep the gypsy healers beings of pure light and goodness from becoming evil in the process should be a piece of cake meanwhile the werewolf males are fighting their innate hunger to mark their mates and finish the blood rites thereby keeping their own darkness at bay if they remain unbound a chink forms in the packs armor one that volcan won't hesitate to exploit when he finds it

darkness has descended on the transylvanian alps four packs of the powerful grey wolves in a rare show of cooperation had joined together here in an effort to help their pack members find true mates then they were betrayed by one of their own an alpha hell bent on becoming the most powerful of the canis lupis and though the wolf's assassination attempt on the currently reigning romanian alpha failed his plans to get decebel the romanian beta out of the picture were coming together even as his treachery was discovered the wolf fled leaving destruction death and a missing mate behind him unbeknownst to the other packs the wolf has employed a witch to finish the deadly job and help him gain another tool to increase his power

dalton black a canis lupis full of guilt and anger never expected to find his true mate perhaps already slipping into madness he had resigned himself to the fact that he would walk the earth without the other half of his soul he was convinced that his sins were enough to keep the great luna from giving him such a blessing he knew it was probably better

that way his past was as dark as his name and after three centuries of running from it the memories were finally catching up to him but all of those resignations evaporated when he saw her broken and bloodied body lying on that altar though the man didn't recognize her the wolf did through battle and bloodshed he was able to save her from the evil that held her captive but now he would need her to save him from himself jewel stone was wholly unaware of the ancient bloodlines of gypsy healers mates to canis lupis and protectors of the packs much less that she carried that blood herself but when a beautiful but deadly woman showed up in her home and ripped her from her realm she knew her life would never be the same her mother gem a fortune teller had warned her that something was coming that her life was about to change dramatically but like everyone else jewel had dismissed her as a crazy person jewel was the laughing stock of her school simply because gem was her mother and up until now her life was one big disappointment after another instead of heeding her mother's warning she hid in her books burying herself behind knowledge both fact and fiction she escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with despite all of her knowledge and all of her fantastical stories she never dreamed her own future would be full of adventure danger passion and the possibility of unconditional love as she lay unconscious after her first bloody encounter in the fae realm her only chance of survival lay in the hands of a man scarred by his past disfigured both emotionally and physically and beyond the reach of any who had tried to help him can two broken people who carry the other half of each other's souls span the chasm between them and restore the innocence ripped from both their lives will they let the promise of healing love overcome the difference in age and experience and the separation of species and realms or will they give in to the fear and doubt that would keep them from one another for eternity
