if you're planning a trip it's relatively easy to find the fastest route by visiting yahoo or mapquest internet web sites or if you're hopelessly old fashioned unfolding a map but how do you choose the most interesting route and create a trip that is more than just a blur of mile markers and exit signs exploring america's highways wisconsin trip trivia may have the answer exploring america's highways wisconsin trip trivia provides travelers a guided

tour along specific routes throughout the state travelers will obtain a wide range of interesting information along the highway including place name historical markers local landmarks prominent people industry and inventions geological general triviadid you know that frederick meijer gardens in grand rapids features the world s largest bronze sculpture of leonardo da vinci s american horse thomas edison was born in port huron in 1847 or french explorer antoine de la mother cadillac named detroit ville d dtroit meaning city of the strait these are just a few of the fun things revealed in this book there is no reason anybody needs to dread long hours of driving time anyway just find your route highlighted in the table of contents and read along city by city it s that simple

after being laid off from his college teaching position the author traversed the united states on lesser roads shown in blue on old road maps

william least heat moon s journey into america began with little more than the need to put home behind him at a turning point in his life he packed up a van he called ghost dancing and escaped out of himself and into the country the people and the places he discovered on his roundabout 13 000 mile trip down the back roads blue highways and through small forgotten towns are unexpected sometimes mysterious and full of the spark and wonder of ordinary life robert penn warren said he has a genius for finding people who have not even found themselves the power of heat moon s writing and his delight in the overlooked and the unexamined capture a sense of our national destiny the true american experience

in 1978 william least heat moon made a 14 000 mile journey on the back roads of america visiting 38 states along the way in 1982 the popular blue highways which chronicled his adventures was published three decades later edgar ailor iii and his son edgar iv retraced and photographed heat moon s route culminating in blue highways revisited released for publication on the thirtieth anniversary of blue highways a foreword by heat moon notes the photographs often with amazing accuracy capture my verbal images and the spirit of the book taking the journey again through these pictures i have been intrigued and even somewhat reassured that america is changing not quite so fast as we often believe the photographs happily reveal a recognizable continuity but for how much longer who can say and i m glad the ailors have recorded so many places and people from blue highways while they are yet with us through illustrative photography and text ailor and his son capture once more the local color and beauty of the back roads cafes taverns and people of heat moon s original trek almost every photograph in blue highways revisited is referenced to a page in

the original work with side by side photographic comparisons of eleven of heat moon's characters this new volume reflects upon and develops the memoir of heat moon's cross country study of american culture and spirit photographs of heat moon's logbook entries original manuscript pages olympia typewriter ford van and other artifacts also give readers insight into heat moon's approach to his trip discussions with heat moon about these archival images provide the reader insight into the travels and the writing of blue highways that only the perspective of the author could provide blue highways revisited reaffirms that the blue highway serves as a romantic symbol of the free and restless american spirit as the ailors lose themselves to the open road as heat moon did thirty years previously this book reminds readers of the insatiable attraction of the blue highway but in those brevities just before dawn and a little after dusk times neither day or night the old roads return to the sky some of its color then in truth they carry a mysterious cast of blue and it's that time when the pull of the blue highway is strongest when the open road is a beckoning a strangeness a place where a man can lose himself introduction to blue highways

that unexcelled exploration of our nation based on a 13 000 mile journey in a ford van along back roads printed in blue on old maps is available for the first time in a trade paperback edition that replicates the style and design of the original hardcover photographs and maps
