fly shotgun with the pilots and crews of both sides who fought in the air at night over england during world war i and world war ii in two world wars a corridor from the wash to birmingham was turned into a fierce battleground the air route from germany and the occupied countries through this corridor to targets right across the industrial heartland of england became a three dimensional combat zone that proved to be as grim a killing ground by night as anywhere else in the land no place for chivalry encapsulates the story of the air defense of england against attack by night by taking the area covered by raf wittering and digby sectors looking at the action of night fighter squadrons operating from those stations and their satellite airfields the way the battle developed its timeline of events the events themselves and the organization of those involved a coherent picture of how the night air defense of britain evolved is formed the narrative is pitched at a level of detail and with such human interest content that it enables readers not only to grasp what is happening and why but also to feel the tensions frustrations and

euphoria of success that the aircrews felt at the time the reader gets a view from the cockpit or gun turret to meet and fly with the men of both sides who fought in the air at night men whose moral standards on the ground were above reproach but when fighting in the night sky gave no quarter

a detailed account of the zeppelin raid on rossendale and bolton on 25 26th september 1916

by the end of 1914 15 000 yorkshire miners had volunteered for the army with around 1 000 from a single castleford pit over the next four years these courageous men would write home from the killing fields of france gallipoli italy mesopotamia and africa as the men marched away the families they left behind were about to experience a war that reached into every home touching every man woman and child in the country this was total war local women some still teenage girls faced the gruelling hardships and dangers of munitions work some would die for their country former male pupils at the quaker school struggled with their consciences some would fight some would serve in the front lines as ambulance men and others would go to prison for their beliefs using original material diaries letters and newspaper reports this enthralling book tells the fascinating and largely forgotten story of the great war at home covering the terror of zeppelin raids and anti german rioting foreign refugees a story of true love among the gentry the vexed question of whether bookies were essential war workers and tales of heroism at the front here is the war as experienced by the dedicated people of pontefract and castleford

everyone experiences those times when it seems like nothing is going right how can we get back that inner peace we so desire with her signature wit karen scalf linamen helps women put it all into perspective she shows how to feel alive and vibrant despite our circumstances with hilarious true stories and plain sense practicality this book is just what women need when life seems to be falling apart at the seams

this thrilling new volume from martin bowman focusses on british canadian australian and german soldiers and airmen who were captured during the first world war determined that they wouldnt spend the rest of the conflict incarcerated uselessly behind bars they endeavored to escape these are their stories all aspects of prison life are covered here and the author examines the various escape tactics that were employed by british soldiers and airmen held in pow camps all over germany and turkey in order to provide a balanced account the author has also uncovered stories of german navy and army escapees who attempted to flee from england each chapter is preceded by an account which explains the types of camps used in britain and germany the numbers involved the food the camp money system for worker prisoners and a general appreciation of the conditions and chronology firsthand accounts from the prisoners themselves are then woven into the picture creating an authentic sense of the pow experience the emphasis of this unique book is placed on the human story of the main characters the unparalleled action on the western front and the interaction and camaraderie experienced between soldiers and airmen held in prison camps in england germany and turkey during the second world war

fortøller om luftskibene der blev anvendt under 1 verdenskrig om deres indsats og kampen imod dem

beskriver tyske luftskibes militære anvendelse under 1 verdenskrig

with hilarious true stories and plain sense practicality linamen helps women feel alive and vibrant despite their circumstances

presents the results of a project which began in 1996 when eight high school students in hochneukirch decided to study the fate of the jews in their town based on archival material and an interview with an eyewitness contains information accompanied by documents and photographs on the history of the jewish community in hochneukirch from the 18th century and on events during the holocaust pp 43 47 present the memoirs of manfred leven who was deported to theresienstadt and auschwitz he was liberated in gleiwitz he was then 14 years old pp 64 144 trace the fate of members of the extended falkenstein family before and during the holocaust contains also brief biographies of the meyer rolef and blech families 26 jewish residents managed to emigrate 19 jews were deported to riga in december 1941 and eight to theresienstadt in july 1942 14 others were deported to minsk and to concentration camps in poland
