once a common sight on britain s roads few people today seem to have heard of the bond minicar not a diminutive gadget laden conveyance for the fictional 007 character but a popular practical motorcycle engined three wheeler that in the post war austerity period gave tens of thousands of people affordable personal transport at a time when conventional vehicles were beyond the reach of the average household yet whilst the later mostly imported bubble cars have remained in the public eye it is largely forgotten that the first of the postwar microcars to go into significant production was the british designed and built bond equally enigmatic seems to be the designer of this vehicle lawrence lawrie bond a prolific automotive design genius with a penchant for weight saving construction techniques

he was responsible for a wide range of two three and four wheel vehicles from ultra lightweight motorcycles and scooters such as the minibike lilliput and gazelle as well as his other microcars the stylish berkeley and perhaps less than pretty opperman unicar and finally to his later work including the innovative but troubled bond 875 and styling the equipe gt sportscar here the story is told in full covering all lawrie s innovative designs and the various vehicles that bore his name all in prolifically illustrated detail together with his passion for motor racing which resulted in a number of technically acclaimed racing cars some of which can still be seen competing in historic racing events today

thirty years have passed since gareth brown s homage to a two wheeled two stroke way of life was published the first edition of his acclaimed book scooter boys highlighting youth culture spanning half a century was first published when margaret thatcher s reign as the eighties iron lady was drawing to a close now three decades on brown s book is back to enlighten and entertain a new generation and rekindle memories for those who were scooter boys and girls back in the day his informed knowledge of the initial scooter boy era has resulted in the 30th anniversary edition of scooter boys being refreshingly updated and published by mortons the home of scootering and classic scooterist magazines brown has been a face on the scooter scene since the 1970s when he was legally able to ride a motor scooter on the road and scooter ownership and riding scooters has been a passion ever since he rose to prominence in the 1980s as the scooter rally correspondent and later editor of scootering magazine which led to his book a unique take on the scooter boy movement history traditions and culture scooter boys charts the development of the early scooters and the post second world war arrival of the italian scooters from vespa and lambretta followed by the chronicling of the rise of 1950s teenage consumerism which led to the mod versus rocker riots of the 1960s it outlines the intervening years before the massed mod revival of 1979 onwards when the northern soul scene kept the scooter movement alive and traces the emergence of the unsung street heroes of the late 20th century and beyond
