this computer generated concordance is a valuable reference tool for both the authorized version and the revised authorized version

while globalization undermines ideas of the nation state in the mediterranean conversions reveal how religion can unsettle existing political and social relations through studies of conversions across the region this book examines the challenges that conversions represent for national legal and policy ways of dealing with religious minorities

modelled after the oxford line of annotated bibles this is the first fully annotated academic edition of the book of mormon in its 200 year history this edition reformats the complete scriptural text in the manner of modern bible translations making it more accessible and readable and the annotations and book introductions identify key themes and intertextual connections the editorial additions focus on the details of specific passages but also highlight broader perspectives that will illuminate the text as a whole it is an essential tool for anyone looking for an accurate comprehensive understanding of the book of mormon

when joseph smith founded the church of christ in 1830 he declared it to be god s restoration of true christianity the kingdom of god on earth although he foresaw opposition to such bold claims he could not fathom that time and unforeseen circumstances would help to spawn hundreds of off shoots and competing denominations all claiming their origins in a movement born and sustained originally by smith and sidney rigdon many of these groups have endured and boast multiple congregations of believers in many countries others came and went quickly and have long since been forgotten some have survived but have only appealed to a handful of believers steven l shields has for decades chronicled the various origins and paths of all known

restoration movements this fifth edition of his encyclopedic study offered as an ebook includes recent groups born as internet communities that so many groups and individuals have been unsatisfied with the more mainstream mormon churches yet cling to tenets of the smith rigdon movement speaks to the strengths of the restoration concept and the naïve view that one denomination can successfully meet all the needs of believers

gives a highly praised detailed and even handed account of the fastest growing and most propserous religious group in america today thoroughly revised and updated to include the presidential run of mitt romney and the likely death of president prophet hinckley

a former roman catholic frank bolger kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthrall themselves from the demonstrable falsehoods and sectarian nonsense of organized religion a few years ago kelly decided to sit down with the sacred scriptures of several of the world s major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration instead he became wholly disenchanted and scoffing at scripture a commoner reads the world s holy writ and rejects traditional religion is the result far from representing that all elusive word of god creedal scripture the world over it seems to kelly merely cloaks the tribal agendas and cultural designs of the world s priestly and virtually allmale elites with the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference kelly s intent is to facilitate critical analysis of the world s holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated frank bolger kelly grew up in an irish catholic family in the bronx new york matriculated to a noted jesuit college in new england and subsequently did time at a prestigious non sectarian institution of higher learning in the midwest it was during his enlightening time at the latter that kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world s major religions

kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them actually to read scripture in all its antiquated tendentious sectarian absurdity kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds thus was born scoffing at scripture a commoner reads the world s holy writ and rejects traditional religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance

it began in upstate new york with joseph smith s miraculous vision it spread across the american west with brigham young s founding of over 300 settlements and his establishment of utah as its headquarters today mormonism is continually expanding with more members outside the united states than within mormonism a historical encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former massachusetts governor and 2012 presidential candidate mitt romney

regardless of age we each live simultaneously as a child and a parent while at home work and play receiving divine instruction daily each person remains forever a child in the universe if you have children if you have employees or colleagues if you have friends and family if you have a spouse or partner if you aspire to align with self you are also a parent nurturing growth according to the sacred contract each of us is charged to nourish the heart of any child entrusted into our care support every child s development count the blessings each child brings cutivate goodness and light remain true to the divine plan and facilitate lush growth integrating expertise in child development parenting and spirituality the author discusses parenting moments from infancy through the toddler years each moment is divided into three sections an anecdote illustrating a teachable moment in a child s development a discussion of the developmental concept involved and an application of the life lesson at a

higher level in addition prayers are interspersed throughout the book to provide wishes guidance and encouragement from the child at heart a parenting mantra is repeated as a reminder to relax breathe and realize that teachable moments are a part of healthy development activities are provided to assist the reader s personal development each child holds the seed of a parent within each parent is the heart of a child may this book guide you to learn the lessons of child heart and parent wisely nurturing the spirit of those entrusted into your care according to the sacred contract a book from the heart of tabankhu
