the author of this title has created this book for all those who feel a need for a calming presence comfort of the heart and nourishment for the soul it supports all traditional forms of therapy healing and recovery and is designed specifically to promote emotional well being

this title is an introduction to the oracle of the runes which can be used as a tool for self counselling the 25 cards represent the runes themselves and can be used to guide you on a journey beyond the material to the creative and spiritual

this ancient method of forecasting is now available to the modern bard a new and expanded version contains chapters on new techniques and a useful pronunciation guide the set contains an interpretive manual 25 ceramic rune stones and a handsome carrying bag divination

the book of runes is something very special a part of the ancient past and perhaps a part of your future based on a tradition over one thousand years old the runes are seen by many as a contemporary oracle and collectively have established themselves as a remarkable aid in practical decision making a huge success with over 900 000 copies sold since its original publication in 1983 the book of runes has proved to be a modern classic for this the 25th anniversary of the work ralph h blum has expanded and refined the runic system making the runes one of the most profoundly useful self help tools of the new century

runes might sound like something strange that you only find in the world of warcraft or harry potter but runes are in fact real artifacts stones with runic inscriptions they have both factual and mythological roots from german tribes to vikings and odin to new agers runes have played a powerful part in history if you are curious about runes their meanings and how they can enhance your intuition keep reading runes help us discover that the real power comes from inside ourselves when we find the wisdom and power within each symbol and internalize them in this book we unravel the mystery of runes and examine significant facts and history that provide us with a better understanding of how they can enhance your intuition connect with the sources of energy healing love the book goes in depth with the different backgrounds of runes and how to read runes meanings magic misconceptions spell casting and how to use it as a divination tool as well as how to master your psychic ability indeed this book is a perfect balance of relevant information and interesting facts it includes an overview of all the great runes as we take theories of each rune and roll them into one book interestingly it has exercises you can do to learn the runes that are fun more specifically in this book you ll be guided on history origin and early runic inscriptions how a 1 200 year old tomb discovered in denmark is shedding light on the mysterious birth and development of the viking alphabet dispelling myths around attracting bad omens the 24 different runes that you can use to discover your future and how you can change it rituals exercises to connect to your higher self and deal with the challenges of life facts about the blank rune and whether you should read it apply the three runic spread to understand the issues you are facing how the magical god of wisdom odin discovered the runes days of the week for casting runes and why sunday is the best day to help you get rid of negativity the 24 different plants that represent the runes and their associated properties for healing success why you should learn runes even if it s just for fun or because you re curious spell casting and divining and much much more it s time to take a fascinating journey through the magic of the ancient runes if you re ready to start exploring runes for yourself then get started with this book

this desk reference is overflowing with a wide range of occult and esoteric materials on eastern and western magical systems over thirty five magical models are compared and discussed begins with an introduction to magic including a program of study so you can

use any of the ninety one systems described reveals the secrets of alchemy magical alphabets the chakras the tree of life astrology and much more it makes the ancient magical systems accessible understandable and useful to modern magicians

ralph h blum s bestselling new age classic the book of runes is something very special a part of the ancient past and perhaps a part of your future based on a tradition over one thousand years old the runes are seen by many as a contemporary oracle and collectively have established themselves as a remarkable aid in practical decision making a huge success with over 900 000 copies sold since its original publication in 1983 the book of runes has proved to be a modern classic making the runes one of the most profoundly useful self help tools of the new century this new edition includes a drawstring pouch of runes so that readers can begin learning practicing and divining right away

divination has existed in all cultures throughout history it is the attempt to predict or control one s future or to gain access to hidden information by the assessment of various indicators or use of particular implements some christian diviners have pointed to biblical examples of divination in order to justify their practices this book examines where the power comes from explains how the various implements including games are used and warns of the potential dangers

sorting fact from fiction about runes has become increasingly difficult in recent years the number of rune books has multiplied but the majority of them are based on speculation or even complete fantasy and are often contradictory and confusing some readers may be content to settle for these but a growing number of rune students have been asking for a basic factual foundation so that they can judge for themselves the reliability of the information in the esoteric rune books the rune primer at last bridges the gap between the dry complex and expensive academic works and the less reliable esoteric and new age books about rune magic and divination this book makes the old sources accessible with translations of the rune poems and the historical information presented in plain english it also traces many of the recently invented rune myths to their sources reviews some of the most popular authors and explains the ideas behind some of the modern esoteric rune systems

a handbook for the use of runes as a personal oracle not for divination or fortune telling but as a tool for assisting us to live our lives in the present and for strengthening our intuition

awakening to me is the category winner in 2014 the indie spiritual book awards and 2015 pinnacle book achievement awards it is a story of personal metamorphosis written over the course of several years in real time as life unfolded and lessons were learned it is a work of naked truth about kerri hummingbird s struggles with borderline personality disorder recovering from divorce after a 20 year marriage and seeking love from outside herself the story documents how alternative healing methods shamanic energy

medicine and reiki and mindfulness practices yoga and toltec wisdom led to an amazing transformation that arguably negates the former psychological diagnosis kerri shares her story so that others may witness that with dedication faith and a willingness to shine a light into the shadows challenges can be overcome and lasting inner peace and self love can be cultivated let kerri's story and her heartfelt recommendations for self help inspire you to begin your own journey of healing kerri's raw courage and vulnerable transparency blaze a trail for any woman on a healing journey awakening to me is a magnificent book that takes us behind the scenes of transformation and shows how even the most difficult situations can be the fodder for finding oneself let kerri's book guide you to find your independence and self love heatherash amara author of the toltec path of transformation and warrior goddess training in awakening to me kerri shares her intimate and difficult personal and spiritual journey to identify and express her authentic being into the world her story is engaging sometimes disturbing yet with a clear underlying thread of compassion for herself and others also engaged in their own struggle with borderline personality disorder in her words she seeks to give voice to those who have no voice her life voyage takes her through light and darkness to amazing heights and agonizing lows in her world travels she meets with some of the teachers who have helped shape the views of spiritual development for a generation each has something to share with her that may shed light upon your own path as well it has been my pleasure and honor to walk with kerri through some of her journey i heartily recommend this book to you as a tool for your own amazing self exploration among these pages you will find a courageous and dedicated explorer of life and spirit gerry starnes m ed author of spirit paths the quest for authenticity this powerful book intensely and beautifully expresses the internal world of someone with borderline personality disorder the author takes us on a tour of her internal emotional world the depths of despair the emptiness and frantic efforts to find love ms hummingbird takes us with her on the journey toward internal independence and core stability what works and what doesn't from her personal work she provides suggestions exercises and quotes this book will be of profound use to anyone with this diagnosis their family members therapists and allies in fact i'd also recommend it for those diagnosed with post traumatic stress disorder or who have symptoms of bipolar disorder but in truth we can all benefit from reading this book awakening to me is an invitation to self honesty persistence in seeking meaningful help and the long work of sustained effort this book is well written and well organized but it is the author's honesty and insight that makes it powerful her emotions and thoughts the related beliefs are clearly described these are in turn related to events in ms hummingbird's history into present relationships and dynamics in a manner that doesn't lose the reader in her internal world instead we understand ourselves better our friends and family members we understand better what it means to be human category judge indie spiritual book awards 2014

cnn called richard thieme a member of the cyber avant garde digital delirium named him one of the most creative minds of the digital generation now richard thieme's wisdom on the social and cultural dimensions of technology is available in a single volume islands in the clickstream ranges beyond the impact of technology to spirituality psychological insight and social commentary now that people

are used to living in virtual worlds and move easily between online and offline worlds they want to connect that experience to the deeper issues of our lives including spiritual issues some examples include dreams engineers have the crazy lady on the treadmill and whistleblowers and team players these essays raise serious questions for thoughtful readers they have attracted favorable commentary from around the world and a fanatic almost rabid fan base this author has become an extremely popular and highly visible talking head he is a rare personality in the otherwise bland world of technology commentators the book leverages the loyalty of his audience in the same way bill o reilly s the o reilly factor and al franken s lies and the lying liars who tell them do the book is an easy read intended to provoke thought discussion and disagreement

this comprehensive indexed volume includes short one page listings of pertinent facts about a particular movement its founder how it claims to work scientific evaluations done and its potential dangers some topics covered are angels visualization shamanism hypnosis new age medicine and martial arts
