understanding aleister crowley s thoth tarot was his final opus the culmination of a lifetime of occult study and practice with artist lady frieda harris he condensed the core of his teaching astrology qabbalah magick gematria and numerology and alchemy into the 78 cards of the tarot although crowley s own book of thoth provides insight into the cards it is a complicated dated book what has been missing and what crowley authority lon milo duquette has created is an introductory text for the deck in clear language duquette provides everything you need to know about crowley s fundamental principles to get the most out of using the thoth deck many use the deck simply because the artwork is so beautiful but there is so much more to it than that duquette starts with the basic historical background of this extremely popular deck before delving into descriptions of each card in depth from both a purely tarot perspective and from an expanded magickal point of view each card is described in detail regarding its straight tarot meaning which is then expanded upon with all the other attributions crowley intended this unique guide will be of great interest to all tarot readers who use the thoth tarot especially those looking for correspondences with other occult systems to enhance their readings and will be treasured by students of aleister crowley s works

now a classic in the field used by students of the golden dawn as well as by those who want to understand crowley s tarot this is the definitive study of the egyptian tarot and is used as a key to all western mystery disciplines color plates of eight cards

originally published in 2003 understanding aleister crowley s thoth tarot has proved to be the essential guide to accessing the unique symbolism and meaning of aleister crowley s remarkable tarot deck along with the deeply textured artwork of lady frieda harris crowley authority lon milo duquette starts by providing an insightful historical background before delving into descriptions of each card in depth from a tarot perspective and from an expanded magickal point of view he first describes the tarot meaning of each card in detail and then explains all the other attributions crowley intended this unique guide has been updated with a new introduction that provides information on the unicursal hexagram cards

aleister crowley s thoth tarot one of the most respected yet enigmatic tarot decks of all time offers rich rewards for those who can penetrate its complex symbolism written by ceremonial magician and tarot expert michael osiris snuffin the thoth companion is the key to understanding the true symbolic meaning of the thoth deck this comprehensive reference work examines all seventy eight cards within the context of thelema qabala and ceremonial magic the spiritual foundations upon which the deck was built these detailed interpretations reveal valuable insights significant correspondences and crowley s encoded secrets once you ve mastered the meaning behind this legendary deck the thoth companion shows you how to use the thoth tarot for divination meditation developing intuition and pathworking straightforward and user friendly this guide also includes a glossary bibliography index and an extensive appendix featuring correspondence tables

aleister crowley s the book of thoth endures as one of the most definitive volumes on the tarot ever written this classic text describes the philosophy and use of aleister crowley s thoth tarot a deck designed by crowley and painted by lady frieda harris the thoth tarot has become one of the bestselling tarot decks in the world it is also one of the most original interpretations of the tarot incorporating astrological numerological egyptian and qabalistic symbolism while there are many other useful guides to this famous tarot deck there are no others that explain the deck in its designer s own words

this book came into being from the author s exasperation at the ignorance of many users of the thoth tarot deck they prefer to go by their intuition rather than study crowley s companion book to the deck the book of thoth it s too dense they cry i m not interested in these philosophies i just want to read tarot the above sentence is the greatest insult to aleister crowley the creator of the thoth deck for the deck s purpose was to convey the higher mysteries to the diviner crowley intended for the deck never to be sold separately from the book of thoth and so heart full of elitist snobbery and sense of obligation to crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents in the spirit of crowley who sought to enlighten the world the author has added his own contribution to crowley s legacy out of duty it was due to crowley s belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the book of thoth

the tarot is a pack of seventy eight cards there are four suits as in modern playing cards which are derived from it but the court cards number four instead of three in addition there are twenty two cards called trumps each of which is a symbolic picture with a title itself at first sight one would suppose this arrangement to be arbitrary but it is not it is necessitated as will appear later by the structure of the universe and in particular of the solar system as symbolized by the holy qabalah
