this book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and secondary curricula this text focuses on the core competencies required for teacher certification in instrumental music the first section of the book focuses on essential issues for a successful instrumental program objectives assessment and evaluation motivation administrative tasks and recruiting and scheduling including block scheduling the second section devotes a chapter to each wind instrument plus percussion and strings and includes troubleshooting checklists for each instrument the third section focuses on rehearsal techniques from the first day through high school

modern low brass instruments trombone tuba and euphonium have legions of ancestors cousins and descendants in over five hundred years of history prominent scholar and performer douglas yeo provides a unique accessible reference guide that addresses a broad range of relevant topics and brings these instruments to life with clear explanations and the most up to date research brief biographies of many path changing individuals highlight their influence on instrument development and use the book s inclusive scope also recognizes the work of diverse influential artists whose important contributions to trombone and tuba history and development have not previously been acknowledged in other literature extensive illustrations by lennie peterson provide insight into many of the entries

this encore edition by wesley jacobson is the only comprehensive version ever published for tuba and is carefully engraved to the highest quality standards the many errors that exist in the old trombone edition are now corrected in this new book the bordogni vocalises or

melodious Études are essential for all tubists for many years tubists were required to transpose the bordogni vocalises melodious Études down one octave from the trombone edition ideally and especially when playing the high tuba the music should be played at pitch as it appears on the page many younger tubists did not know how to transpose and many advanced players did not use the vocalises on instruments in higher keys therefore much of the benefit of bordogni's works remained untapped

the teaching of instrumental music sixth edition introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula it focuses on the core competencies required for teacher certification in instrumental music with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music parts i and ii focus on essential issues for a successful instrumental program presenting first the history and foundations followed by effective strategies in administrative tasks and classroom teaching parts iii iv and v are devoted to the skills and techniques of woodwind brass and percussion and string instruments in all the teaching of instrumental music is the complete reference for the beginning instrumental teacher commonly retained in a student's professional library for its unique and comprehensive coverage this sixth edition includes streamlined language and improved layout throughout making this edition more concise and accessible to students updated content throughout including insights from current research for curriculum development coverage of current law and policy changes that impact the classroom contemporary motivational strategies and more information on the history of african american and all female music ensembles updated references photos lists of artists and online resources

this study begins with a brief history of the tuba focusing on its development from its instrumental precursors as well as the development of solo and ensemble literature for the tuba the second chapter contains an in depth study of pedagogical techniques and materials required for the implementation of a college level tuba program it contains essential technical information such as tone production articulation concepts etc as well as essential administrative information such as grading procedures equipment choices etc the final section contains annotated

tuba literature lists divided into solo orchestral band and etude works and a listing of solo tuba recordings
