offering an entirely new approach to understanding china s journalism history this book covers the chinese periodical press in the first half of the twentieth century by

focusing on five cases either occurring in or in relation to the year 1917 this book emphasizes the protean nature of the newspaper and seeks to challenge a press historiography which suggests modern chinese newspapers were produced and consumed with clear agendas of popularizing enlightenment modernist and revolutionary concepts instead this book contends that such a historiography which is premised on the classification of newspapers along the lines of their functions overlooks the opaqueness of the chinese press in the early twentieth century analyzing modern chinese history through the lens of the newspaper this book presents an interdisciplinary and international approach to studying mass communications as such this book will be useful to students and scholars of chinese history journalism and asian studies more generally

building on and extending pierre bourdieu s critique of our media saturated culture this work presents case studies of such diverse phenomena as media coverage of the aids contaminated blood scandal in france us youth media activism and political interview shows on both sides of the atlantic

journalism entered the twenty first century caught in a paradox the world had more journalism across a wider range of media than at any time since the birth of the western free press in the eighteenth century western journalists had found themselves under a cloud of suspicion from politicians philosophers the general public anti globalization radicals religious groups and even from fellow journalists critics argued that the news industry had lost its moral bearings focusing on high investment returns rather than reporting and analysing the political economic and social issues of the day journalism has a central and profound impact on our worldview we find it everywhere from newspapers and television to radio and the internet in the new edition of this thought provoking and provocative very short introduction ian hargreaves examines the world of contemporary journalism by looking not only at what journalism has been in the past but also what it is becoming in the digital age he examines the big issues relating to reportage warfare celebrity culture privacy and technology worldwide about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

in this pathbreaking work the author integrates questions of justice and stability through a model of deliberative democracy in the plural polity deliberative democracy and the plural polity provides a realistic but critical reform agenda that can animate struggles for justice in an enormously diverse world

focusing on the neglected journalism of writers more famous for their novels or plays this new book explores the specific functions of journalism within the public sphere and celebrate the literary qualities of journalism as a genre key features include an international focus taking in writers from the uk the usa and france essays featuring a range of extremely popular writers such as dickens orwell angela carter truman capote and approaches them from distinctly original angles each chapter begins with a concise biography to help contextualise the the journalist in question and includes references and suggested further reading for students any student or teacher of journalism or media studies will want to add this book to their reading list
