insights into power spectacle and performance in the courts of middle eastern rulers in recent decades scholars have produced much new research on courtly life in medieval europe but studies on imperial and royal courts across the middle east have received much less attention particularly for courts before 1500ad in the presence of power however sheds new light on courtly life across the region this insightful exploratory collection of essays uncovers surprising commonalities across a broad swath of cultures the pre modern period in this volume includes roughly seven centuries opening with the first dynasty of islam the umayyads whose reign marked an important watershed for late antique culture and closing with the rule of the so called gunpowder empires of the ottomans and safavids over much of the near east in the sixteenth century in between this volume locates similarities across the western medieval byzantine and islamicate courtly cultures spanning a vast history and geography to demonstrate the important cross pollinations that occurred between their literary and cultural legacies this study does not presume the presence of one shared courtly institution across time and space but rather seeks to understand the different ways in which

contemporaries experienced and spoke about these places of power and performance adopting a very broad view of performances in the presence of power includes exuberant expressions of love in arabic stories shadow plays in mamluk cairo byzantine storytelling religious food traditions in christian cyprus advice and political and ethnographic performances of power

drawing on her own experiences with late onset disability and its impact on her sex life along with her expertise as a cultural critic jane gallop explores how disability and aging work to undermine one's sense of self she challenges common conceptions that equate the decline of bodily potential and ability with a permanent and irretrievable loss arguing that such a loss can be both temporary and positively transformative with sexuality disability and aging gallop explores and celebrates how sexuality transforms and becomes more queer in the lives of the no longer young and the no longer able while at the same time demonstrating how disability can generate new forms of sexual fantasy and erotic possibility
