athens during the peloponnesian war martha taylor argues that thucydides subtly critiques pericles vision of athens as a city divorced from the territory of attica and focused
instead on the sea and the empire thucydides shows that pericles reconceptualization of the city led the athenians both to melos and to sicily toward the end of his work
thucydides demonstrates that flexible thinking about the city exacerbated the athenians civil war providing a thorough critique and analysis of thucydides neglected book 8
