wrap your arms around the good news for lent during lent each year christians give up something as an act of sacrifice and spiritual discipline often it is something like chocolate knowing that after easter sunday they can once again enjoy what they have given up james moore challenges readers to take it further to give up something spiritually that they would be better off not doing he invites all to seek god s help to focus on eliminating one habit or attitude that is destructive imagine giving up envy jealousy self pity apathy procrastination gossip resentment or negative thinking how much better life would be the forty days of lent are ideal to use this study and prepare to give up something bad while preparing to fully embrace the good news of easter study includes seven sessions one for each sunday in lent and easter sunday each session features a scripture reference a personal reading questions for personal reflection or group study and closing prayer

season of ash and fire will help pastors and worship planners prepare for lent and easter the author provides corporate prayers for each sunday and holy day in the easter cycle including ash wednesday 1st through 5th sundays in lent passion palm sunday holy thursday good friday easter vigil easter sunday morning easter evening 2nd through 7th sundays of easter ascension day and pentecost additional prayers and liturgies for use during the season by small groups and families help extend and unify the congregation s celebration blair meeks gifted with an evangelical heart an emancipated imagination and a life settled in liturgy offers a first rate resource as the church learns again to pray meeks not only guides the prayer of the church through the depth of lent and the wonder of easter she also interprets and instructs along the way out of her long reflection on the mystery of worship this book will serve pastors and all those in the church who live by faith that is funded through prayer walter brueggemann professor emeritus columbia theological seminary

twenty ways to make lent and easter special simply by paying attention to ordinary things around us the kitchen chair the oil we cook with the glass of wine and many other ordinary things bespeak the sacredness of our daily lives and find their places in the traditions and celebrations of these holy seasons three sections cover lent holy week and easter in fifty nine short chapters each contains a brief scripture a prayerful reflection meditation questions and a prayer drawn from the psalms a concluding section invites us to create a family heirloom journal of our home s lent and easter practices

this resource includes helpful prayers to use in public worship during lent and holy week the collection includes invocations opening prayers prayers of confession and pastoral prayers for the sundays of lent palm passion sunday maundy thursday and good friday services drawn from a variety of traditions the prayers in this collection will aid any congregation as it worships throughout the journey of lent

songs of the spirit give readers of all kinds a new emotional response to the period of lent by holding to its heart the psalms rather than sticking firmly within the pages of the gospels freshly translated by rev megan daffern herself these psalms and readings are an insightful door to appreciate the countless varieties of ways we can respond to god over the course of just 40 days each re translated psalm opens up the resonate life their lines from celebration to mourning from simplicity to intricacy songs of the spirit offers to a wide range of believers a way to hold the message and truths of lent close to heart no matter whether you ve never considered faith before or know the ins and outs of faith like rooms of your very own home there is a rich vein of life to be found in these psalms moving through the problems of the world during week 1 to injustice in week 2 and then exploring the complexity and scope of creation in week 3 its beauty in week 4 pilgrimage and its effects in week 5 and then holiness and redemption in weeks 6 and 7 this lent

devotional renews how you approach the world and its maker emotive and beautiful songs of the spirit nourishes the spirit and opens your eyes to the ceaseless wonders of god in all things a lent devotional filled with life

in these reflections on the readings for lent and the triduum monsignor mcilhon invites us to ponder the consistency between what we believe about human dignity and how we live that dignity if lent becomes a daily journey whereby we consent to become one with the visible features of christ s risen life waiting to be raised from the dyings of our life then the paschal mystery becomes a marvelous experience although he writes with great sensitivity and theological depth monsignor mcilhon does not become pedantic nor does he go beyond the depth of the average reader for priests religious and serious lay people looking for something more than pious writing about the most important season of the church year this book will make excellent lenten reading

lent is that annual journey taking us into the depths of god s mystery for many who must juggle life s daily demands lent often seems to pass by with little opportunity for spiritual growth but in this booklet world renowned spiritual writer father ron rolheiser provides reflections for each day of lent and easter week that are short and clear enough for the busy person yet provocative and challenging to the spirit these reflections will not take long you need only enough time to let the written words sink in and inspire your own thoughts how will you apply them to your life do they spur you on to make some specific type of change in your life your attitudes or your behavior that is the process of conversion that is the journey of lent and easter this booklet will be a treasured lenten companion for every person to deepen their relationship with god originally offered in 2005 this booklet is non returnable

based on the common lectionary j barrie shepherd presents a lenten prayer diary with forty seven days of morning and evening prayers the prayers are derived from suggested lessons of the scripture themes include suffering repentance and joyful welcome of christ s resurrection

the sermons of bernard of clairvaux evoke the inner conversion of the human person who is open to the word words the external conversion that is submission to the obedience of community life and finally the personal recognition of the true nature of the divine word this volume contains saint bernard s sermons for the liturgical seasons of lent and easter included are sermons for the purification septuagesima the feast of saint benedict and the feast of the annunciation all of which are interpreted by bernard in light of the paschal mystery in the sermons for lent especially one gets to know a more hesitant and searching bernard than appears in his other liturgical sermons this volume is the third of a

projected five volumes of bernard s liturgical sermons

this sermon series for lent and easter draws on the rich imagery of rocks and stones in scripture these powerful messages center around the compelling metaphor of stones and our willingness to throw them as representative of our sins as worshipers enter the sanctuary they are invited to pick up stones as a concrete symbol of each sermon s theme then as the message concludes the stones are placed at the foot of the cross when the stones disappear on easter just like the stone sealing jesus tomb it s a vivid illustration of how the lord also removes our stones of sin each chapter includes several thought provoking discussion questions to spur further reflection with messages for ash wednesday five weeks of lent maundy thursday good friday and easter sunday this is an excellent resource for lenten midweek programming molin takes us on a journey of prayerful and honest repentance a powerful and life changing journey of celebration of grace of awe at the miracle of the empty tomb and the promise of life pastor molin is one of the best sermon story tellers i ve heard but each sermon and every story also teaches a biblical text these sermons are grounded in the living word of god from the foreword glenn dy l sculley bishop s associate minneapolis area synod evangelical lutheran church in america we used the journey of stones as a sunday morning preaching series with some modifications the book and series was a wonderful way to remind all of us that although we are weighed down with our own sins as represented by the stones each week christ rolled away the stone that separates us from god at the resurrection and took the weight of our sin upon himself he took our burden on himself and give us new life thanks for being willing to offer such an inspirational book pastor jerry van auken steven molin is the senior pastor of our savior s lutheran church elca in stillwater minnesota he has also served parishes in oregon and south dakota and been an area director for the youth ministry organization young life molin is a graduate of concordia university st paul minnesota and luther theological seminary

cardinal walter kasper offers here thought provoking reflections on lent and easter inviting us to ask why and for what am i here what is the meaning of my life what is my vocation as a christian kasper emphasizes that when we think about our life in this way each of us has a reason to repent and to direct his and her life anew towards christ and towards easter with this new orientation contemplating the passion of christ becomes a path of easter a path of transition of transformation and of grace a path of hope on this path we find life from the introduction

challenges readers to explore share and celebrate the themes mysteries of the sunday lent and easter readings

these creative resources will engage your congregation through the most important season of the church year there are descriptions of dozens of stations covering shrove tuesday

through to easter sunday along with tips on how they can best be used they are clearly described simple to set up and have been used in a variety of worship settings with churches of different styles sizes and age groups people find it refreshingly inspirational being able to use the scripture at a station to conduct their own journey of discovery instead of the worship through this church season being focused as it is all too often on the particular theological stance or biases of the preacher the participation at the stations draws each worshipper to the person of christ and brings the focus on to their own experience of the easter story

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

based on texts from the revised common and catholic lectionaries thomas long provides inspirational messages to motivate and help preachers through their most difficult preaching time of the year the seasons of lent and easter the road to easter takes us through the most sacred stretch of the gospel story and the narratives simply overwhelm us congregations who blithely assume that their pastor eagerly relishes the chance to preach the passion and resurrection of jesus are for the most part mistaken to be sure the pews are more crowded as easter approaches the choirs are well rehearsed and in full voice and an electric charge courses through the sanctuary but the preacher stands there with the obligation to proclaim the truths of jesus death and resurrection and it seems at one and the same time to be a set of claims too little to go on in a secular and cynical age and a range of mysteries too profound to speak from author s foreword thomas long is francis landey patton professor of preaching and worship at princeton theological seminary and is one of the most well known teachers of preachers in america this is his second book published by css

stretched a study for lent and the entire christian life explores lent s timeless themes death fasting temptation repentance and piety while critically engaging cultural forces shaping christians today this isn t just another devotional it s a dynamic journey through scripture centered on the truth that god acts killing and reviving testing faith granting repentance and transforming lives by grace as a believer you are stretched like the lengthening days of lent and more profoundly stretched out with christ on the cross lutheran pastor christopher richmann designed this book for group study or individual reflection making it accessible to lay readers of all christian backgrounds each chapter includes thought provoking discussion questions and meditations to go even deeper this holy season whether reading alone or in a group stretched will challenge and inspire showing how god s redemptive work in christ extends beyond lent shaping the entire christian life

stephen cherry s latest book is a sequence of beautifully crafted prayer meditations providing simple yet profound spiritual nourishment for the lenten season the book gives an engaging introduction to the different ways that prayer can work in the lives of the busiest of christians barefoot prayers is ideal for people who may have little time for sitting and reading but more time for thinking and reflecting

in her acclaimed trilogy the divine hours phyllis tickle introduced modern christians to the time honored practice of praying the hours in this exquisite new volume she provides a vibrant program of prayer dedicated to the anticipation of christ s resurrection beginning with ash wednesday and moving through lent and on to easter sunday eastertide provides the daily prayers that bring practitioners into the full spirit of this season each day is filled with psalms readings from the bible and hymns of praise and worship just as they appear in the larger volume the divine hours prayers for springtime newcomers to this beloved tradition will find that eastertide is the perfect introduction to joining the ancients in the tradition of fixed hour prayer a wise rabbi once told me that it is not how many prayers we don t say that matters to god but rather how many we do that is important to all of us but especially for beginners if this is your first attempt to return to this most ancient of christian practices it is wise to remember that you are entering into a discipline and like all disciplines this one sits hard and heavy upon one at times there are hours you will miss and or some that you can t even begin to figure out how to observe that is all right for either the joy will carry you into greater joy and transmute the discipline into privilege or you will find yourself simply the wiser and the richer for such experience as you have had as the rabbi said that is what matters ultimately
