watson biography

most previous biographers of thomas more have sought to prove him a saint in this the first full scale biography of more in half a century richard marius a leading reformation historian seeks to restore the man more s life spanned a tumultuous period in western history he was born in 1478 into a society still medieval in its customs and laws but by the time of his death in 1535 england was already shaken to its depths by the powerful and unsettling ideas of the renaissance marius draws upon important recent research and his profound knowledge of more s own voluminous writing to make a coherent whole of the life and work of the immensely complex man who was both a product of the times and a singular figure in them he gives us more the boy his london childhood he deep respect for his father who rose from a tradesman s background to become a judge of the highest court in the land a council of fathers was to rule more s kingdom of utopia more the youth sent at about age twelve to serve in the household of the powerful and political bishop morton later struggling to choose between the priesthood and the lures of secular life marriage and a career in the great world more the londoner the city man lawyer graduate of the inns of court member of the rising middle class with its drive for an achievement and position we see more

the humanist man of letters as Marius treats in full his friendship with Erasmus his now controversial history of Richard III from which Shakespeare's Richard derives and the originals and meanings of his most famous work *Utopia* more the family man is revealed in his relationship with his father his two wives and his children as far more complex than the sanctified image of legend Marius explores more his public career as Lord Chancellor as champion of the Catholic Church and finally as martyr to the old faith he shows us a man who although he hated and feared tyrants always believes that authority as a source of order was necessary to the public good a man who as royal councilor and Lord Chancellor upheld his king until the very moment when in response to Henry's final tyranny he chose to die the king's good servant but God's first Marius also demonstrates that it was the centuries-old authority of the Catholic Church that more revered that he was as suspicious of paper supremacy as of any tyranny the man Marius ultimately reveals is one more passionate and driven in his family life his convictions his persecution of heretics than the serene hero of a man for all seasons but he is also a man possessed of such wit integrity and charm that he was loved not only by his family but by almost everyone who knew him it is the special triumph of this biography that with its rare combination of impeccable scholarship and narrative power we are brought into the presence of a whole person with all his flaws and virtues and that by the time More meets his death he has become familiar and important to us not merely as a historical figure but also as a human being

watson biography

this extensively revised edition of Thurman Wilkins's masterful and engaging biography well illustrated in color and black and white draws on new information and recent scholarship to place Thomas Moran more securely in the milieu of the Gilded Age it also portrays more fully the controversies that surrounded the art of Moran's time as he became the dean of American painters the American West was the subject of Thomas Moran's greatest artistic triumphs Yosemite the Grand Canyon of the Colorado Zion Canyon the Virgin River Colorado's Mountain of the Holy Cross and the Grand Tetons but his travels with Ferdinand V. Hayden's geological surveys of the upper Yellowstone were matched by trips to his native Britain and to Venice Florida the Spanish Southwest and Old Mexico these scenes inspired memorable landscapes and seascapes as did the sojourns of the Moran family in Pennsylvania New Jersey and East Hampton Long Island when they retreated from the demands of the New York art scene in the 1880s Moran and his artist wife Mary Nimmo Moran also threw themselves into the etching craze of the period creating some of the finest prints produced in the United States Moran was an artist happy in his work he wrote I have always held that the grandest most beautiful or wonderful in nature would in capable hands make the grandest most beautiful or wonderful pictures the *New York Times* said of the first edition of this unique account of his life Moran's mastery comes through clearly and awesomely and often pleasurably readers will find the new edition equally enjoyable

a comprehensive account of the author's life based upon many previously unknown materials

Peter Ackroyd's *The Life of Thomas More* is a masterful reconstruction of the life and imagination of one of the most remarkable figures of history Thomas More 1478-1535 was a renowned statesman the author of a political fantasy that gave a name to a literary genre and a worldview *Utopia* and most famously a Catholic martyr and saint born into the professional classes Thomas More applied his formidable intellect and well-placed connections to become the most powerful man in England second only to the king as much a work of history as a biography *The Life of Thomas More* gives an unmatched portrait of the everyday religious and

intellectual life of the early sixteenth century in ackroyd s hands this renowned man for all seasons emerges in the fullness of his complex humanity we see the unexpected side of his character such as his preference for bawdy humor as well as his indisputable moral courage

a comprehensive overview of the life and times of thomas more including in depth studies of his major written works

while thomas james is not widely known today this was not always the case his 1633 publication the strange and dangerous voyage of captaine thomas james was until the early nineteenth century the british public s primary source of information about what we now know as northern canada the account of his attempt to find the northwest passage and the winter he spent on an island in james bay made his name synonymous with exploration and the north over the centuries james s narrative was used to compile travel books and to compose philosophical treatises histories children s books as well as poetry and novels most notably it influenced samuel taylor coleridge s the rime of the ancient mariner and mary shelley s frankenstein colleen franklin s critical edition of the voyage is the first since 1894 her introduction details how james engages with both medieval and early modern perceptions of the north as well as the early modern imperative to base knowledge on observation and experience and offers a history of the text s reception from its first publication into the nineteenth century an invaluable reference on the early european exploration of north america the strange and dangerous voyage of captaine thomas james sheds new light on the representation of the canadian north

one of the literary world s great deceptions was perpetrated when thomas hardy wrote his life in secret for publication after his death as an official biography since the true circumstances of its composition have been known the early life and later years of thomas hardy published over the name of florence emily hardy has frequently been referred to as hardy s autobiography but this is not the whole truth florence altered much of what hardy meant to appear in his biography through careful examination of pre publication texts michael millgate has retrieved the text as it stood at the time of hardy s final revision for the first time the life and work of thomas hardy can be read as a true work of autobiography an addition to the hardy canon

Eventually, **Brief Biography Of Thomas Jefferson** will no question discover a new experience and deed by spending more cash. yet when? complete you recognize that you require to get those every needs when having significantly cash?
