present and possible future buy now to unearth the history of colombia today

written by two leading historians this deeply informed and accessible book traces the history of colombia thematically covering the past two centuries in ten interlinked chapters michael j larosa and germán r mejía depart from more standard approaches by presenting a history of political social and cultural accomplishments within the context of colombia s specific geographic and economic realities

colombia s history is marked by a rich tapestry of indigenous cultures and societies which laid the foundations for the diverse nation that exists today long before the spanish arrived in 1492 the region was home to advanced civilizations such as the muisca confederation the quimbaya civilization and the tairona chiefdoms these indigenous groups thrived in colombia s varied geography establishing complex societies with sophisticated agricultural practices intricate trade networks and elaborate spiritual beliefs the spanish conquest of the americas brought significant change to the region following christopher columbus s arrival in the caribbean spanish explorers began their colonization efforts in 1538 the spanish established bogotá which became the capital of the viceroyalty of new granada this vast colonial territory included what is now colombia ecuador panama and venezuela the spanish imposed their rule over the indigenous peoples exploiting both the land and the labor of native communities which would profoundly shape the future of the region

history of colombia from the conquest and settlement to the modern colombia when alonso de ojeda coasted along the venezuelan shore in the spring of 1499 he stopped short just west of the gulf of maracaibo near the present boundary between venezuela and colombia the following year rodrigo bastida doubled the goajira peninsula and pursued his voyage to the west catching sight of the giant snowclad mountains of santa marta and of the low land which lies between them and the sea coming to the mouth of a great river on the day sacred to saint magdalene he named it the magdalena and farther to the south west found the fine harbour where the city of cartagena now stands at the head of the gulf of darien he came to another great river the atrato and here his explorations stopped more than a year later the great columbus himself on his fourth and last voyage sighted the central american coast at cape gracias á dios near the present boundary between nicaragua and honduras thence he sailed south east along a pestilential shore for eight hundred miles finally arriving near the point where bastida had left off his explorations it is said that bartholomew columbus founded a settlement on the atlantic shore of the isthmus but it was soon destroyed by the neighbouring indians the long stretch of coast was unfit for the abode of europeans but the indians had gold in abundance and the spaniards were satisfied that the interior was full of mines

this book describes and analyzes economic and political developments in colombia during the final century of spanish rule its purpose is threefold first to provide a general portrait of colombian society during the late colonial period showing the character of economic social and political life in the territory s principal regions second to assess the impact on the region of european imperialist expansion during the eighteenth century and third to provide a context for understanding the causes of independence the book offers the only available survey of colombian history and historiography for this period

i simply cannot think of an example of recent scholarship on latin america that i found as thoroughly rewarding and enjoyable as this study charles bergquist university of washington
