it i thank you helen thanks you a revelation of biblical proportions concerning the calculated and evil mistranslation of one greek word in the fifth century promoting the myth lie of eternal conscious torment in hell woven through this intriguing
tale is a memoir by a follower of christ vietnam veteran fun loving combat medic survivor former alcoholic drug addict scribbling scribe guitar player often struggling yet faithful servant of the lord and grateful recipient of his infinite love and
grace what the hell hell is the place where we reap what we sow the author believes all the sins of the world were purchased through the blood of christ the repentant know salvation through god s grace alone for non believers and the wicked
salvation comes through the various levels of hell chastisement despair torment terror physical suffering many believe death is the final outcome with the obvious exception of death the author contends that eventually the vast majority if not all will
happily bow the knee before they receive the gift of divine reconciliation the author will prove like so many silenced by the church over the centuries that hell is not eternal eternal conscious torment taught by the church since the fifth century is a

lie that has destroyed the lives of millions how could this myth be manufactured and believed by so many christians for sixteen centuries based on something so blatantly illogical as biblical inerrancy of course scripture is god breathed but to preach mistakes were not even possible by overworked scribes that used copies of copies of copies for 400 years before we had substantial records is the height of folly the majority is always wrong the minority is rarely right henrik ibsen the truly god breathed miracle isn't the myth of absolute inerrancy perpetuated by many christians who sadly rejoice in their exclusive salvation made sweeter by the eternal suffering of others it is this through endless corrupt and nefarious motives the gospels the beating heart of the good news remained intact why would men of god go to such lengths to inject terrorism into scripture helen has the answers do we believe god or satan the author of all lies and slander christian writer and speaker rick adair reveals how this lie came to be his conclusions coupled with his warm yet madcap sense of humor will have christian s and secular folks alike chuckling and rejoicing in the depth of god s love seeing clearly perhaps for the first time that our father in heaven would never even consider sending his children into eternal conscious torment god is love period
