quick and easy to consult the principal features of interest are described in the main sights from a to z section with each entry cross referenced to the large folded map that completes this handy map and guide pack detailed background information sets the scene facts and figures about the people religion climate and economy its culture and history plus a round up of associated famous people special features colour photographs colour maps and plans are found throughout the book and the well organized practical information section ensures you can make the most of your stay

covering more than 500 ski resorts in europe north america and elsewhere this guide includes summaries of the pros and cons of each resort and ratings of key aspects there are also street plans of the villages and towns and piste maps as well as features on ski safety and new equipment

now that the former soviet union is open to western walkers and climbers many are taking the opportunity to visit the fabled caucasus the highest mountains in europe british climbers knew the area a century ago and unlike the alps the changes have been minimal 62 walks are described some need simple climbing skills but most are straightforward in addition two routes are described to the tops of elbruz the highest mountain in europe this is the first modern book of its kind by russian authors there are some very easy routes across the main range following good wide paths but the fact is that the central part from the klukhor to mamisonsky passes cannot offer such a boon it does not mean you have to climb to get over the range but you should not expect a comfortable path up to the saddle and you have to be ready for scree grass and snow slopes not a big hardship considering the reward in calm and seclusion so rare nowadays

the only independent guide to over 50 ski resorts in north america and europe this book is completely revised and updated with increased coverage of resorts in north america italy and the southern hemisphere updated information includes specially commissioned full color maps
